The Aldea del Rey Rules shall be intended, in the absolute discretion of the Board, to enhance the preservation of the Common Areas for the safety and convenience of the users thereof, and otherwise shall serve to promote the best interests of the Owners and Residents.

(d) The right of the Association to dedicate or transfer all or any part of the Common Areas to any entity for such purposes and subject to such conditions as may be agreed to by the Association. No such dedication or transfer shall be effective unless an instrument signed by the Owners of at least two-thirds (2/3) of each Class of Membership in the Association agreeing to such dedication or transfer has been Recorded.

(f) The right of the Association to change the size, shape or location of Common Areas, to exchange Common Areas for other lands or interests therein which become Common Areas and to abandon or otherwise transfer Common Areas so long as, in each case, either (i) the Board determines that the Members are not materially or adversely affected, or (ii) Members holding at least two-thirds (2/3) of each Class of Membership in the Association have executed an instrument agreeing to such change in size, shape or location, exchange, abandonment or transfer.

### **3.2 Easements to Facilitate Development.**

3.2.1 Declarant shall have a blanket easement over the Common Areas in order to construct Improvements thereon and in connection with the construction of Dwelling Units on Lots within the Property.

3.2.2 The Declarant shall not exercise any of the rights or easements reserved by or granted pursuant to this **Section 3.2** in such a manner as to unreasonably interfere with the construction, development or occupancy of any part of the Property.

3.2.3 The rights and easements reserved by or granted pursuant to this **Section 3.2** shall continue so long as the Declarant owns any Lot or Dwelling Unit. Declarant may make limited temporary assignments of its easement rights under this Declaration to any Person performing construction, installation or maintenance on any portion of the Property.

The easement provided in the foregoing shall terminate with respect to any Common Area or Lot on the date the Association's responsibilities with respect to maintaining the landscaping or drainage facilities within any such Common Area or Lot terminates.

**3.5 Easements for Encroachments.** If any Improvement constructed by or for the Declarant on any Lot or Common Area encroaches on any other portion of the Property by an amount of deviation permitted by customary construction tolerances, a perpetual easement is hereby granted to the extent of any such encroachment, and the owner of the encroaching Improvement shall also have an easement for the limited purpose of the maintenance and repair of the encroaching Improvement. All fences and walls of the Dwelling Units shall be deemed to be located on the Lots as designated on the Plat. If any such fence or wall encroaches on the Common Area, the Owner of such fence or wall shall have an easement therefore and shall be responsible for the maintenance, repair and replacement of the fence or wall.

**3.6 Delegation of Use.** Any Member may, in accordance with this Declaration and the Aldea del Rey Rules and the limitations therein contained, delegate his right of enjoyment in the Common Areas and facilities to the members of his family, or his Residents. In the event of a delegation to tenant(s), the Owner and his/her family shall lose all rights of enjoyment in the Common Areas.

**3.7 General Drainage and Retention Easements.** Certain portions of the Property, including certain specified Lots, may contain drainage retention basins thereon for the benefit of other portions of the Property. In connection therewith, each Owner who acquires a Lot subject to a drainage retention easement shall be responsible for maintaining such easement and the retention basin thereon in good condition and repair, and without obstruction, such that the purposes for which such drainage retention basin has been established are appropriately served.

(B) “Drainage Easement” shall have the meaning given in section 3.8.1 below.

(D) “Drainage Easement Area” shall mean that part of the property described as the easterly three (3) feet of lots 1, 2, 3, 4, 9, 10, 11, 12, 18, 19, 20, 21, 25, 26, 27, 28, 29, 30, and the southeasterly three (3) feet of lots 43, 44, 45, 46, 52, and 53 of Crown of Tucson Townhomes as recorded in Book 26 at page 17 of Maps and Plats in the Office of the County Recorder, Pima County, Arizona.

(E) “Burdened Lot” shall mean any one of the following: lot 1, lot 2, lot 3, lot 4, lot 9, lot 10, lot 11, lot 12, lot 18, lot 19, lot 20, lot 21, lot 25, lot 26, lot 27, 28, lot 29, lot 30, lot 43, lot 44, lot 45, lot 46, lot 52, or 53 of Crown of Tucson Townhomes as recorded in Book 26 at page 17 of Maps and Plats in the Office of the County Recorder, Pima County, Arizona.

**3.8.1 Drainage Easements**. There shall hereby exist in favor of the Association, Declarant and each Burdened Lot for the use by each Owner of a Burdened Lot, its successors, assigns, lessees, sublessees, employees, agents, contractors, customers, guests and invitees, in common with others entitled to use the same, the following appurtenant easement (the “Drainage easements”):

(a) A nonexclusive easement for the installation, operation, use, maintenance and repair of drainage and related improvements under, upon and across the drainage easement area;

**3.8.2 Duration of Drainage Easements**. The easements shall be permanent and perpetual and shall inure to the benefit of and be binding upon all Owners of Burdened Lots and their respective successors and assigns, and shall run with the land.

**3.8.3 Use and Maintenance of Drainage Easement Areas.**

No Owner shall cause any interference with the intended use of the Drainage Easements, or cause any obstruction of any of the Drainage Easements, or permit any person acting by, through or under the Owner to interfere with the intended use of the Drainage Easements or cause any obstruction of any of the Drainage Easements. Each Owner of a Burdened Lot shall maintain the applicable Drainage Easement to ensure the proper drainage of water. In the event any Owner does not properly maintain the Drainage Easement, the Association shall have the right to enter onto the Burdened Lot and perform the necessary maintenance, without being liable for a trespass. The Association may charge back the cost of the maintenance to the Owner of the Burdened Lot, and which charge shall be assessed to the Owner and subject to all of the Association's collection and lien rights below.

**3.8.4 Improvements within the Drainage Easement Areas.**

Improvements may be placed with the drainage easement areas by Declarant and an Owner of a Burdened Lot as further limited herein. Masonry walls, with their appropriate footings, may be placed within the drainage easement areas; a) along the rear property lot lines and b) perpendicular to the Drainage Easement along a Burdened Lot's side property line. An opening shall be provided in each such side lot property wall at the bottom of the wall centered within the Drainage Easement to facilitate the flow of drainage water at the base of the wall. The opening shall be a minimum of eight (8) inches high and sixteen (16) inches wide with the bottom of the opening at grade. The opening may be a decorative masonry unit with a minimum of 75% of the block face remaining open to allow the flow of drainage water through the wall. Further, hard patio surfaces (such as concrete, brick pavers or similar material) may be placed within the drainage easement area so long as the finished grade of the patio material does not impede the natural flow of surface drainage within the drainage easement area and across the rear of the lot.

No site improvements may be placed within the drainage area, including landscaping, in such a way that the natural flow of surface drainage through the drainage area will be impeded or will block the opening within the Burdened Lot's side property line walls as described herein.

**3.8.5 Real Estate Taxes and Assessments.** Each Owner of a Burdened Lot shall pay or cause to be paid all real estate taxes and installments of special assessments against each such Owner's respective Lot before the taxes and assessments become delinquent.

**3.8.6 Continuing Effectiveness.** No breach of this Declaration shall entitle any Owner of a Burdened Lot to cancel, rescind or otherwise terminate the Drainage Easements. However, this limitation shall not affect in any manner any other rights or remedies that an Owner of a Burdened Lot may have under this Declaration by reason of any such breach.

**3.8.7 No Dedication.** Notwithstanding anything herein to the contrary, the Drainage Easements shall not be deemed a dedication to the public or otherwise deemed public land.

**3.9 Access Easement to Adjacent Parcel.** Each Owner who purchases a Lot within the Property acknowledges that the Declarant reserves the right to grant to the owner of that parcel of real property legally described in *Exhibit "C"* and incorporated herein by this reference (the "Adjacent Parcel") a perpetual easement for ingress and egress across, over and through all streets within the Property and any private entrance gates constructed and operated as part of the Common Areas. If such easement is granted, then, in that event, the owner of the Adjacent Parcel and any successor thereto will have the perpetual rights granted thereby, with or without cost or expense, and with or without the requirement to pay any Assessments of any kind or nature, including any Special Assessments, and shall be provided with all keys, combinations, pass cards and another materials necessary or required to have free and unobstructed ingress and egress through all entrance gates and streets within the Property. If such easement is granted, then such easement may not be terminated or ended without the prior written consent of the then owner of the Adjacent Parcel.

#### **ARTICLE 4**

#### **PERMITTED USES AND RESTRICTIONS**

**4.1 Residential Purposes.** All Lots and Dwelling Units within the Property shall be used for single-family residential purposes. No gainful occupation, profession, business, trade or other nonresidential use shall be conducted on or in any Dwelling Unit, provided that an Owner or any Resident may conduct limited business activities in a Dwelling Unit so long as (a) the existence or operation of the business activity is not apparent or detectible by sight, sound or smell from outside the Dwelling Unit; (b) the business activity conforms to all applicable zoning requirements; (c) the business activity does not

involve door-to-door solicitation of other Owners or Residents; (d) the business activity does not generate drive-up traffic or customer or client parking; and (e) the business activity is consistent with the residential character of the Property, does not constitute a nuisance or a hazardous or offensive use, and does not threaten the security or safety of other Owners or Residents, as may be determined in the sole discretion of the Board. No Lot will ever be used, allowed, or authorized to be used in any way, directly or indirectly, for any business, commercial, manufacturing, industrial, mercantile, commercial storage, vending, or other similar uses or purposes; provided, however, that the Declarant and its agents, successors or assigns, may use the Property, including any Lots, for any of the foregoing uses as may be required, convenient, or incidental to the construction and sale of Dwelling Units thereon, including, without limitation, for the purposes of a business office, management office, storage area, construction yard, signage, model sites and display and sales office during the construction and sales period. The Board shall have broad authority to enact rules and regulations to implement this Article 4, including exempting certain traditional home-based activities such as teaching music lessons.

**4.2 Animals.** No animal, bird, poultry or livestock, other than not more than two (2) generally recognized house or yard pets and subject to prior approval of the Board, shall be maintained on any Lot and then only if they are kept, bred or raised thereon solely as domestic pets and not for commercial purposes. No animal, bird, poultry or livestock shall be allowed to make an unreasonable amount of noise or to become a nuisance. No animal, bird, poultry or livestock shall be permitted on the Property so as to violate an ordinance of Pima County, Arizona, or any other applicable law or ordinance. No structure for the care, housing or confinement of any animal, bird, poultry or livestock shall be maintained so as to be Visible From Neighboring Property. Upon the written request of any Member or Resident, the Architectural Committee shall conclusively determine, in its sole and absolute discretion, whether, for the purposes of this paragraph, a particular animal, bird, poultry or livestock is a generally recognized house or yard pet, whether such a pet is a nuisance, whether to permit house or yard pets at all, or whether the number of animals or birds on any such property is reasonable. Any decision rendered by the Architectural Committee shall be enforceable in the same manner as other restrictions contained herein and in this Declaration. The Board may adopt rules and regulations relating to animals permitted on the Property, including eliminating house and yard pets. In no event may the Board enact any rule that would have the effect of eliminating a

PHOTOGRAPH

particular pet. All rules related to pets must grandfather all pets that have been previously allowed.

**4.3 Temporary Occupancy and Temporary Building.** No trailer, basement of any incomplete building, tent, shack, garage or barn, and no temporary buildings or structures of any kind, shall be used at any time for a residence, either temporary or permanent. Temporary buildings or structures may be used during the construction of a Dwelling Unit on any Lot, provided that they shall be removed immediately after the completion of construction.

**4.4 Diseases and Insects.** No Owner shall permit any thing or condition to exist upon any Lot or Dwelling Unit which shall induce, breed or harbor infectious plant diseases or noxious insects.

**4.5 Antennas.** Subject to applicable law, no antenna, aerial, satellite dish or other device for the transmission or reception of television or radio (including amateur or ham radio) signals of any kind (collectively referred to herein as "antennas") will be allowed outside any Dwelling Unit, except:

(a) Those antennas whose installation and use is protected under federal law or regulations (generally, certain antennas under one meter in diameter), provided that an application for such an antenna must be submitted to the Architectural Committee and such application will be approved only if:

(i) the antenna is designed to assure the minimal visual intrusion possible (*i.e.*, is located in a manner that minimizes visibility from any street); and

(ii) the antenna complies to the maximum extent feasible with the Guidelines within the confines of applicable federal regulations, (*i.e.*, without precluding reception of quality signal, or unreasonably increasing the cost of the antenna); or

(b) Dishes 18" in diameter or smaller in locations approved by the Architectural Committee for rear or side yard locations and appropriately screened.

Any transmission cable for a receiver to the house must be underground. The restrictions in this **Section 4.5** shall be subject to any limitations imposed by law. The Board is hereby vested with the broadest discretion to enact rules and regulations to implement this Article to conform to the law. The Board may enact rules and regulations that are more restrictive than this **Section 4.5**, if permissible by federal and state law.

**4.6 Mineral Exploration.** No Lot or Dwelling Unit shall be used in any manner to explore for or to remove any water, oil or other hydrocarbons, minerals of any kind, gravel, earth or any earth substance of any kind.

**4.7 Trash Containers and Collection.** No garbage or trash shall be placed or kept on or in any Lot or Dwelling Unit, except in covered containers of a type, size and style which are approved by the Board. The Board may adopt such reasonable rules and regulations as it deems necessary regarding trash containers and collection of trash, and except on a temporary basis during any period of construction of improvements on any Lot. In no event shall such containers be maintained so as to be Visible From Neighboring Property except to make the same available for collection and then only for the shortest time reasonably necessary to effect such collection. All rubbish, trash or garbage shall be promptly removed from all Lots and shall not be allowed to accumulate thereon. No outdoor incinerators shall be kept or maintained on any Lot. The Board may require all Owners to utilize a single source selected by the Board for the collection of trash.

**4.8 Clothes Drying Facilities.** Outside clotheslines or other outside facilities for drying or airing clothes shall not be erected, placed or maintained on any Lot they are erected, placed and maintained exclusively within a fenced service yard or otherwise concealed and are not Visible From Neighboring Property.

**4.9 Party Walls.** Except as hereinafter provided, the rights and duties of Owners with respect to party walls between Lots, or party fences between Lots, shall be as follows:

- (a) The Owners of contiguous Lots who have a party wall or party fence shall both equally have the right to use such wall or fence, provided that such use by one Owner does not interfere with the use and enjoyment of same by the other Owner.

(b) In the event that any party wall or party fence is damaged or destroyed through the act of an Owner or any of his Residents, agents, trees, irrigation systems, guests, or members of his family (whether or not such act is negligent or otherwise culpable), it shall be the obligation of such Owner to rebuild and repair the party wall, or party fence without cost to the Owner of the adjoining Lot. Any dispute over an Owner's liability for such damage shall be resolved as provided in *Subsection (e)* below, but any liability imposed on an Owner hereunder shall not prevent the Owner from seeking indemnity therefor from the Persons causing such damage.

(c) In the event any party wall or party fence is destroyed or damaged (including deterioration from ordinary wear and tear and lapse of time), other than by the act of an adjoining Owner, his Residents, agents, trees, irrigation systems, guests or members of his family, it shall be the obligation of all Owners whose Lots adjoin such party wall or party fence to rebuild and repair such wall or fence at their joint expense, such expense to be allocated among the Owners in accordance with the frontage of their Lots on the party wall or party fence (with expenses related to walls or fences between Lots and Common Area be divided between the Lot Owner and the Association on such basis).

(d) Notwithstanding anything to the contrary herein contained, there shall be no impairment of the structural integrity of any party wall or party fence without the prior consent of all Owners of any interest therein whether by way of easement or in fee.

(e) In the event of a dispute between Owners with respect to the construction, repair or rebuilding of a party wall or party fence, or with respect to the sharing of the cost thereof, such adjoining Owners shall submit the dispute to the Architectural Committee, the decision of which shall be binding.

(f) Anything in the foregoing to the contrary notwithstanding, walls or fences constructed by the Declarant, any contractor or the Association on Common Areas where the wall or fence does not border on a Lot, the Association shall be responsible for all maintenance thereof, except that each Owner of a Lot shall be responsible

for painting the portion of the party wall or party fence facing his Lot or the portion thereof which is not a portion of the Common Area.

(g) If a party wall must be penetrated to repair or replace utilities that benefit more than one Lot, the Owners of both Lots shall pay equally for the project. If a party wall must be penetrated to repair or replace utilities that benefit only one Lot, only that Lot Owner shall pay for the penetration, repair and replacement.

**4.10 Overhead Encroachments.** No tree, root, shrub or planting of any kind on any Lot shall be allowed to overhang or otherwise to encroach upon any sidewalk, street, pedestrian way, party wall, Common Area or other Lot.

**4.11 Window Coverings.** In no event shall the interior or exterior of any windows be covered with reflective material, such as foil, or with paper, bed sheets or other temporary coverings. The Board shall have the broadest authority to enact rules and regulations relating to window coverings.

**4.12 Garages and Driveways.** The interior of all garages situated upon any Lot shall be maintained by the respective Owners thereof in a neat and clean condition. Such garages shall be used for parking vehicles only, and shall not be used or converted for living or recreational activities. Garages may be used for storage, but only to the extent the Owner can physically park two (2) vehicles in the garages. The streets within Aldea del Rey are narrow, and street parking is not allowed. The intent of this section is to maximize parking in the garages. The Association shall have the power to inspect garages at reasonable times to ensure Owners may park two (2) vehicles therein. Garage doors shall be kept closed at all times except to the limited extent reasonably necessary to permit the entry or exit of vehicles or Persons. All driveways on Lots shall be of concrete construction.

**4.13 Heating, Ventilating and Air Conditioning Units.** Except for Units installed by the Declarant, no heating, air conditioning or evaporative cooling units or equipment shall be placed, constructed or maintained upon the Property, including, but not limited to, upon the roof or exterior walls of any structure on any part of the Property unless: (a) where such unit or equipment is installed upon the roof of any structure upon the Property, such unit or equipment is fully screened from view from any adjacent Lots by a parapet wall which conforms architecturally with such structure; or (b) in all other cases, such unit or equipment is attractively screened or concealed and is not Visible From

Neighboring Property, which means of screening or concealment shall (in either case (a) or (b)) be subject to the regulations and approval of the Architectural Committee, provided, however, that where such unit or equipment as Visible From Neighboring Property solely through a "view fence", no screening or concealment shall be required.

**4.14 Solar Collection Panels or Devices.** Declarant recognizes the benefits to be gained by permitting the use of solar energy as an alternative source of electrical power for residential use. At the same time, Declarant desires to promote and preserve the attractive appearance of the Property and the improvements thereon, thereby protecting the value generally of the Property and the various portions thereof, and of the various Owners' respective investments therein. Therefore, subject to prior approval of the plans therefor by the Architectural Committee, such approval to be subject to the restrictions of applicable law, solar collecting panels and devices may be placed, constructed or maintained upon any Lot within the Property (including upon the roof of any structure upon any Lot), so long as either: (a) such solar collecting panels and devices are placed, constructed and maintained so as not to be Visible From Neighboring Property; or (b) such solar collecting panels and devices are placed, constructed and maintained in such location(s) and with such means of screening or concealment as the Architectural Committee may reasonably deem appropriate to limit, to the extent possible, the visual impact of such solar collecting panels and devices when viewed by a Person six feet (6') tall standing at ground level on adjacent properties. The restrictions in this **Section 4.14** shall be subject to any limitations imposed by law.

**4.15 Basketball Goals.** No basketball goals, poles or other apparatus are permitted.

**4.16 Vehicles.** Private, noncommercial, passenger automobiles or pickup trucks which, when including all attachments (including, without limitation, racks and shells), do not exceed one (1) ton in carrying load or cargo capacity, eighty-four inches (84") in height or width or two hundred twenty-two inches (222") in length, may be parked on the Property within a garage or in a private driveway appurtenant to a Dwelling Unit but, except as provided in the next sentence, may not be parked elsewhere on the Property or streets adjoining the Property. The preceding sentence shall not preclude occasional overflow parking in a designated street right-of-way for guests on Lot 96 provided that no inconvenience is imposed on the Owners or Residents of other Lots. For the

purposes of this Article, the term "occasional overflow parking" means on a temporary and non-recurring basis and for a period not to exceed twenty-four (24) hours or such more restrictive period as may be: (a) imposed by Pima County, or (b) set by the Architectural Committee from time to time. No other vehicle (including, but not limited to, mobile homes, motor homes, boats, recreational vehicles, trailers, trucks, campers, permanent tents, or similar vehicles or equipment, commercial vehicles, or vehicles exceeding one (1) ton in carrying load or cargo capacity, eighty-four inches (84") in height or width, or two hundred twenty-two inches (222") in length or similar vehicles or equipment) shall be kept, placed or maintained upon the Property or any roadway adjacent thereto, except (i) within a fully-enclosed garage connected to a Dwelling Unit and approved by the Architectural Committee; or (ii) in such areas and subject to such rules and regulations as the Architectural Committee may designate and adopt in its sole discretion (and the Architectural Committee in its sole discretion may prohibit such other vehicles and equipment completely). No vehicle (including, but not limited to, those enumerated in the preceding sentences) shall be constructed, reconstructed or repaired on the Property or any roadway therein or adjacent thereto except within a fully enclosed garage. No inoperable motor vehicles of any kind shall be parked in any unenclosed parking areas (including, but not limited to, private driveways appurtenant to a Dwelling Unit). The provisions of this **Section 4.16** shall not apply to vehicles of Declarant, any contractor or their respective employees, agents, affiliates, contractors or subcontractors during the course of construction activities upon or about the Property. The Board shall have the power to define the term "inoperable."

**4.17 Landscaping and Maintenance; Reconstruction.** Within ninety (90) days of acquiring a Lot with a Dwelling Unit thereon, each Owner (other than Declarant) shall landscape (if not already landscaped) such Lot and any public right-of way areas (other than sidewalks or bicycle paths) lying between the front or side boundaries of such Lot and any adjacent street and, if such Lot has a "view fence", then between the back boundary of such Lot and such view fence. Each Owner shall submit a landscaping plan to the Architectural Committee for review and approval pursuant to **Article 5**. Except for the landscaping in the front of each Lot which shall be maintained by the Association, each Owner shall maintain the remaining landscaping on such Owner's Lot. and shall keep the land free of debris and weeds at all times and promptly repair portions of the landscaping which have been damaged. Landscaping shall be installed under this **Section 4.17** as to be consistent, in terms of general appearance and level of care and attention, with other normal completed residential landscaping within the

PLANNING DEPARTMENT

Property and within other residential properties in the vicinity of the Property and in accordance with rules and guidelines established by the Architectural Committee. Each Owner shall maintain the aforementioned landscaping and exterior of the Owner's Dwelling Unit in a neat, clean and attractive condition consistent in appearance with other properly maintained, improved Lots within the Property. In the event any such landscaping is damaged or disturbed as a result of the installation or maintenance of any utility lines, cables or conduits for the use or benefit of the Owner of the Lot, then, in that event, such Owner shall promptly repair and restore any damage or disturbance to such landscaping in accordance with the landscape plans previously approved by the Architectural Committee. In the event any Dwelling Unit or other structure is totally or partially damaged or destroyed by fire, Act of God or any other cause, the Owner shall fully repair the damage and complete reconstruction of the Dwelling Unit or other structure within eighteen (18) months after occurrence of the damage or destruction. The provisions of this **Section 4.17** shall not apply to any Lot or Dwelling Unit owned by the Declarant.

**4.18 Prohibited Uses.** No use which is offensive by reason of odor, fumes, dust, smoke, noise, glare, heat, sound, vibration, radiation or pollution, or which constitutes a nuisance or unreasonable source of annoyance, or which is hazardous by reason of risk of fire or explosion, or which is injurious to the reputation of any Owner shall be permitted on any Lot. No use which is in violation of the laws (after taking into account the application of any validly granted or adopted variance, exception or special use ordinance or regulation) of the United States, the State of Arizona, Pima County or any other governmental entity having jurisdiction over the Property shall be conducted on any Lot.

**4.19 Dust Control.** The areas on each Lot which are not improved with buildings ("Clear Areas") shall be landscaped as provided in **Section 4.17**. After a sale of any Lot by Declarant, until such landscaping is installed, the Clear Areas shall be maintained in a neat and attractive condition, free of weeds and debris and the Owner thereof shall take necessary and appropriate measures to prevent and control the emanation of dust and dirt from the Clear Areas, which may include the use of gravel, grass, ground cover, or the sealing of the ground surface. After landscaping has been installed, each Owner shall continue to maintain his Lot in a manner which minimizes the possibility of dust being transmitted into the air and over adjacent properties.

**4.20 Nuisances.** No rubbish or debris of any kind shall be placed or permitted to accumulate upon any portion of the Property for any unreasonable time, and no odors shall be permitted to arise therefrom, so as to render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other portion of the Property in the vicinity thereof or to its Owners or Residents. No loud, noxious or offensive activity shall be carried on or permitted on any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to Persons or property in the vicinity of such Lot, or which shall interfere with the quiet enjoyment of each of the Owners and Residents. The Architectural Committee shall have the right to determine, in its sole discretion, whether the provisions of this *Section 4.20* have been violated. Any decision rendered by the Architectural Committee shall be enforceable and be binding in the same manner as other restrictions in this Declaration.

**4.21 Drainage.** No Owner or Resident or other Person shall interfere with the drainage established for any portion of the Property by Declarant. No Owner or Resident or other Person shall obstruct, divert, alter or interfere in any way with the drainage of ground and surface water upon, across or over any portion of the Lots, Tracts, rights-of-way, Common Area(s) or other portions of the Property, including, but not limited to, construction or installation of any type of structure or vegetation. Each Owner shall, at its own expense, maintain the drainage ways, channels and retention basins on its Lot in proper condition free from obstruction. The Association shall have the right, after ten (10) days notice to an Owner, except in the case of emergency (in which case the Association shall have an immediate right of access), to repair or otherwise maintain the drainage way or channel on said Owner's Lot, which the Association, acting through the Architectural Committee, determines has not been maintained by the Owner in compliance with this provision. All costs and expenses, including, but not limited to, reasonable attorneys' fees and costs incurred by the Association shall be borne by the Owner, and shall be paid to the Association upon demand, plus interest at an annual rate of twelve percent (12%) from ten (10) days after said demand until paid in full. Any sum not paid by an Owner may be treated as an assessment, subject to lien, and collected in like manner as Assessments levied pursuant to this Declaration. For the purpose of this clause, "drainage" means the drainage that exists at the time the overall grading of the Lots, Tracts, rights-of-way, and Common Area(s) were completed by the Declarant in accordance with plans approved by Pima County. Notwithstanding anything contained herein to the contrary, in the event the applicable Owner or Association fails to maintain any such drainage areas, then, in that event, Pima

EXHIBIT 1-1007(2)

County shall have the right to enter upon and maintain any such drainage areas, whether or not the same are located on any Lot or within the Common Areas, and the costs thereof incurred by Pima County shall be charged to the Association and become part of the Assessments payable by the Owners pursuant to the terms hereof.

**4.22 Health, Safety and Welfare.** In the event additional uses, activities and facilities are deemed by the Board to be a nuisance or to adversely affect the health, safety or welfare of Owners and Residents, the Architectural Committee may make rules restricting or regulating their presence on the Lot or Dwelling Unit as part of the Aldea del Rey Rules.

**4.23 Leasing; Obligations of Tenants and Other Occupants.** All tenants shall be subject to the terms and conditions of this Declaration, the Articles, the Bylaws and the rules and regulations of the Association. Each Owner shall cause his, her or its Residents or other occupants to comply with this Declaration, the Articles, the Bylaws and the rules and regulations of the Association and, to the extent permitted by applicable law, shall be responsible and liable for all violations and losses caused by such Residents or other occupants, notwithstanding the fact that such Residents or other occupants are also fully liable for any violation of each and all of those documents. No Owner may lease less than his/her or its entire Lot. No Lot may be leased for a period of less than three (3) consecutive months. Each Owner who rents a Lot or his Dwelling Unit thereon is required to advise the Board within fifteen (15) days of the effective date of the lease therefor. The Owner is required to furnish the Board with a copy of the signed lease and any renewals or revisions. Written leases are required. All leases must restrict occupancy to no more than five (5) unrelated Persons or to a single family of legally related Persons of any size. The Owner of a leased Lot or Dwelling Unit must furnish the Board with a tenant information form (provided by the Board) certifying that the tenant has agreed to be bound by this Declaration, the Articles, the Bylaws and the rules and regulations of the Association; and that the Owner accepts responsibility for the tenant's violation of such documents. The Association is a third-party beneficiary of any such lease solely for the purpose of enforcing this Declaration, and shall have the right to establish and charge fines against any Owner failing to enforce the provisions of this Declaration, Bylaws, and other rules and regulations of the Association against his tenant. The third-party rights shall include the right to evict any tenant for violations of the Community Documents. All tenants must execute a crime-free lease addendum on a form provided by the Board. The Board shall have the

broadest authority to enact rules relating to rentals, including the authority to eliminate rentals, but in such event the Board may not require termination of any existing leases. The provisions of this **Section 4.23** shall not apply to the use of Lots or Dwelling Units owned by (or leased to) Declarant as a model home or for marketing purposes.

**4.24 Environmental Protections.** No Lot or Dwelling Unit, nor any facilities on any Lot or Dwelling Unit, shall be used to generate, manufacture, refine, transport, treat, store, handle, dispose, transfer, produce or process Hazardous Substances or solid waste, except in compliance with all applicable federal, state, and local laws or regulations. For purposes of this Section, "Hazardous Substances" shall be deemed to include pollutants or substances defined as "hazardous waste," "hazardous substances," "hazardous materials" or "toxic substances" in the Comprehensive Environmental Response, Compensation and Liability Act of 1980 ("CERCLA") as amended by the Superfund Amendments and Reauthorization Act of 1986 (PL 99-499); the Hazardous Materials Transportation Act, 49 U.S.C. Section 1801, *et seq.*; the Toxic Substance Control Act, 15 U.S.C. Section 2601, *et seq.*; the Resource Conservation and Recovery Act, as amended, 42 U.S.C. Section 6901 *et seq.*; the Arizona Environmental Quality Act, Laws 1986, Chap. 368; and in the rules or regulations adopted and guidelines promulgated pursuant to said laws.

**4.25 Property Restrictions.** No further covenants, conditions, restrictions or easements shall be Recorded by any Owner, Resident or other Person against any Lot or any part of the Property without the provisions thereof having been first approved in writing by the Board, and any such instrument which is Recorded without such approval being evidenced thereon shall be null and void; provided, however, that without prior approval of the Board, the Declarant shall have the right to record additional covenants, conditions, restrictions or easements against any portion of the Property owned by Declarant either prior to or simultaneously with the conveyance of any such portion of the Property to an Owner. Notwithstanding the foregoing or anything else in this Declaration to the contrary, no such instrument Recorded by an Owner shall operate to modify or amend this Declaration but, in the event that such covenants, conditions and restrictions impose restrictions on the use or occupancy of the real property subject to such instrument which are more restrictive than the restrictions set forth in this Declaration, the more restrictive provisions shall prevail. No application for rezoning, variances or use permits pertaining to any Lot shall be filed with any governmental authority by any Person unless the application has first been

14-0040-1-000121

approved by the Board or the Declarant, so long as Declarant owns any portion of the Property or the Annexable Property, and the proposed use otherwise complies with this Declaration. Notwithstanding anything contained in this Declaration to the contrary, none of the restrictions contained in this Declaration shall be construed or deemed to limit or prohibit any act of Declarant, its employees, agents and subcontractors, or parties designated by it in connection with the construction, completion, sale or leasing of Lots, Common Areas, or any other portion of the Property.

**4.26 Model Homes.** The provisions of this Declaration which prohibit nonresidential use of Lots and regulate parking of vehicles shall not prohibit the construction and maintenance of model homes by the Declarant engaged in the construction and/or sale of Dwelling Units within the Property and parking incidental to the visiting of such model homes so long as the location of such model home are approved by the Architectural Committee, which approval shall not be unreasonably withheld, and the construction, operation and maintenance of such model homes otherwise comply with all of the provisions of this Declaration. It shall be deemed reasonable for the Architectural Committee to withhold its approval of the location of any such model home to the extent that the location of such model home would materially and adversely interfere with the free-flow of pedestrian or vehicular traffic, create an unreasonable amount of dust and debris, or would otherwise constitute a public or private nuisance to other Residents within the Property. The Architectural Committee shall also permit other areas to be used for parking in connection with the showing of model homes provided such parking areas are in compliance with the ordinances of any applicable governmental entity and any rules of the Board. Any Dwelling Units constructed as model homes shall cease to be used as model homes at any time the Declarant is not actively engaged in the construction and/or sale of single-family residences within the Property, and no Dwelling Units shall be used as a permanent main model home for the sale of Dwelling Units not located within the Property.

**4.27 Repair of Building.** No building or structure on any Lot shall be permitted to fall into disrepair and each such building and structure shall at all times be kept in good condition and repair. In the event any building or structure is damaged or destroyed, then, subject to the approvals required by *Article 5* below, such building or structure shall be immediately repaired or rebuilt or shall be demolished.

**4.28 Signs.** No signs whatsoever (including, but not limited to, commercial, political and similar signs) which are Visible From Neighboring Property shall be erected or maintained on any Lot except:

- (a) Signs required by legal proceedings.
- (b) No more than two (2) identification signs for individual residences, each with a face area of seventy-two square inches (72") or less.
- (c) "For Sale" and "For Lease" signs temporarily erected in connection with the marketing of any Lot.
- (d) Signs and notices erected or posted in connection with the provision of building security.
- (e) Promotional and advertising signs of Declarant on any Lot.
- (f) Such other signs (including, but not limited to, construction job identification signs, builder identification signs, and subdivision identification signs) which are in conformance with the applicable requirements of Pima County or other applicable governmental agencies and which have been approved in advance and in writing by the Architectural Committee as to size, color, design, message content and location.
- (g) Political signs shall be permitted if and to the extent allowed by Arizona law. The Board shall have the power to regulate all signage within the Property.

**4.29 Utility Service.** No lines, wires, or other devices for the communication or transmission of electric current or power, including telephone, television, and radio signals, shall be erected, placed or maintained anywhere in or upon any Lot unless the same shall be contained in conduits or cables installed and maintained underground, except to the extent (if any) such underground or concealed placement may be prohibited by law, and except for such above-ground structures and/or media for transmission as may be originally constructed by the Declarant or as may be otherwise approved by the Architectural Committee. No provision hereof shall be deemed to forbid the erection of temporary power or telephone structures incident to the construction of buildings or structures.

**4.30 Right of Entry.** During reasonable hours and upon reasonable prior notice to the Owner or other Resident of a Lot, any member of the Architectural Committee or the Board, or any authorized representative thereof, shall have the right to enter upon and inspect any Lot, and the Improvements thereon, including the garages but excepting the remaining interior portions of any completed Dwelling Units, for the purpose of ascertaining whether or not the provisions of this Declaration have been, or are being, complied with, and such Persons shall not be deemed guilty of trespass by reason of such entry.

**4.31 Declarant's Exemption.** Nothing contained in this Declaration shall be construed to prevent the erection or maintenance by Declarant, or its duly authorized agents, of structures, Improvements or signs necessary or convenient to the development or sale of Lots and Tracts within the Property and, in connection therewith, Declarant shall have the right and authority to install temporary signage which is necessary or convenient to the development and sale of any Lots and Dwelling Units within the Property.

**4.32 Crime and Drug Free Community.** The Association shall have the right and power to enact rules prohibiting criminal and drug activity on the Property, including the right to assess fines and evict tenants who engage in such activity. The Association shall have the right and power to require Residents and Owners to sign reasonable contracts and forms that assure there is no criminal and drug related activity on the Property.

**4.33 Golf Course Lots.** Lots 1-30, 43-46, 52 and 56 are hereinafter referred to as the "Golf Course Lots." No landscaping or other Improvement may be placed on any Golf Course Lot that obstructs the view in any way of any other Lot. Notwithstanding the above, plants or Improvements that are less than three feet (3') tall may be installed on a Golf Course Lot with the prior approval of the Architectural Committee. This Article shall apply to the Golf Course Lots in lieu of Article 4.10 above.

**4.34 Golf Course.**

(a) Every Owner acknowledges that neither by acceptance of a deed nor membership in the Association, does such Owner have any interest in any public or private golf course near or adjacent to the Property. Any and all rights to the use of any public or private golf course shall be governed

exclusively by the rules, regulations, membership terms, if any, rates and other restrictions as may be set forth by such golf course owner.

(b) Each Owner of a Lot on or near any adjacent golf course, by acceptance of a deed to any Lot, consents to the landing and impacts of stray or errant golf balls, and assumes all risk of personal injury and property damage associated with stray or errant golf balls, and further grants an easement for such stray or errant golf balls. The Association shall have no liability for stray or errant golf balls. Notwithstanding any provision in this Declaration to the contrary, the Association shall not be required to paint any part of a Dwelling Unit, where the painting is required due to an impact from a golf ball. The Owner of the Dwelling Unit shall be responsible for the repair, surface preparation and painting.

(c) It is further acknowledged and agreed: (i) maintenance activities on the golf courses begin early in the morning and extend late into the evening; (ii) during certain periods of the year, golf courses will be heavily fertilized, and treated effluent may be used; (iii) maintenance of the golf course involves the use of chemicals and pesticides; and (iv) golf balls are not easily controlled and may enter Owners' airspace and strike an Owner's guests, invitees, Residents, yard, wall, fence, Dwelling Unit, roof, windows, landscaping and personal property causing personal property, personal injury and property damage. All Owners hereby assume all of those risks, and indemnify and hold the Association harmless for all such risks.

(d) No golf nets or similar barriers or structures may be erected on any Lot until the expiration of the Class B Membership, but the Architectural Committee may permit window treatments that prevent damage from golf balls. After expiration of the Class B Membership, the Architectural Committee may approve golf nets, barriers or structures and may exercise any and all discretion relating to the design, color, size, materials etc... of the net, barrier or structure. These nets, barriers and structures are not favored. The Board or the Architectural Committee may outright prohibit all of them.

**ARTICLE 5**  
**ARCHITECTURAL CONTROL**

**5.1 Approval Required.** No Improvement which would be Visible From Neighboring Property, or which would cause any Person or thing to be visible from Neighboring Property, shall be constructed or installed on any Lot without the prior written approval of the Architectural Committee which shall have the authority to regulate the external design and appearance of the Lots and Tracts and all Improvements constructed thereon. No addition, alteration, repair, change or other work which in any way alters the exterior appearance of any part of a Lot, or any Improvements located thereon, which are or would be Visible From Neighboring Property shall be made or done without the prior written approval of the Architectural Committee. Any Owner desiring approval of the Architectural Committee for the construction, installation, addition, alteration, repair, change or replacement of any Improvement which is or would be Visible From Neighboring Property shall submit to the Architectural Committee their written request for approval specifying in detail the nature and extent of the addition, alteration, repair, change or other work which the Owner desires to perform. Any Owner requesting the approval of the Architectural Committee shall also submit to the Architectural Committee any additional information, plans and specifications which the Architectural Committee may reasonably request. If the Architectural Committee fails to approve or disapprove an application for approval within forty-five (45) days after an application meeting all of the requirements of this Declaration and of the Guidelines, together with any fee required to be paid and any additional information, plans and specifications requested by the Architectural Committee have been submitted to the Architectural Committee, the application will be deemed to have been disapproved. The approval by the Architectural Committee of any construction, installation, addition, alteration, repair, change or other work shall not be deemed a waiver of the Architectural Committee's right to withhold approval of any similar construction, installation, addition, alteration, repair, change or other work subsequently submitted for approval.

**5.2 Review of Plans.** In reviewing plans and specifications for any construction, installation, addition, alteration, repair, change or other work which must be approved by the Architectural Committee, the Architectural Committee, among other things, may consider the quality of workmanship and design, harmony of external design with existing structures and location in relation to surrounding structures, topography and finish-grade elevation. The Architectural

FIRST OPTION

Committee may disapprove plans and specifications for any construction, installation, addition, alteration, repair, change or other work which must be approved by the Architectural Committee pursuant to this *Article 5* if the Architectural Committee determines, in its sole and absolute discretion, that:

(a) The proposed construction, installation, addition, alteration, repair, change or other work would violate any provision of this Declaration;

(b) The proposed construction, installation, addition, alteration, repair, change or other work does not comply with any Design Guideline;

(c) The proposed construction, installation, addition, alteration, repair, change or other work is not in harmony with existing Improvements in the Property or with Improvements previously approved by the Architectural Committee but not yet constructed;

(d) The proposed construction, installation, addition, alteration, repair, change or other work is not aesthetically acceptable in the sole and absolute discretion of the Architectural Committee, and the Architectural Committee shall consider the impact on views from any Lot in its decision;

(e) The proposed construction, installation, addition, alteration, repair, change or other work would be detrimental to or adversely affect the appearance of the Property;

(f) The proposed construction, installation, addition, alteration, repair, change or other work is otherwise not in accord with the general plan of development for the Property; or

(g) The proposed installation or alteration of landscaping desired to be installed does not comply with the restrictions and limitations thereon set forth in the Guidelines, including, without limitation, the provisions of the Guidelines which provide for the maintenance of natural desert vegetation and limit the area of turf within the Property.

The approval required by the Architectural Committee pursuant to this *Article 5* shall be in addition to, and not in lieu of, any approvals or permits which may be required under any federal, state or local law, statute, ordinance, rule or regulation. The approval by the Architectural Committee of any construction, installation, addition, alteration, repair, change or other work pursuant to this *Article 5* shall not be deemed a warranty or representation by the Architectural Committee as to the quality of such construction, installation, addition, alteration, repair, change or other work or that such construction, installation, addition, alteration, repair, change or other work conforms to any applicable building codes or other federal, state or local law, statute, ordinance, rule or regulation.

**5.3 Architectural Committee.** The Architectural Committee shall initially consist of up to three (3) regular members, each appointed by Declarant. Members of the Architectural Committee need not be Owners or Residents of the Property. Declarant may replace any Member of the Architectural Committee which it has appointed at any time with or without cause. Declarant's right to appoint Architectural Committee members shall cease and the Board shall be vested with that right and all rights of the Declarant pertaining to the Architectural Committee when the last Lot within the Property has been sold to an Owner. After such time as the Declarant's rights to appoint the members of the Architectural Committee expire or are relinquished by the Declarant, the Architectural Committee shall consist of three (3) regular members, each of which shall be appointed by the Board. In the event the Board does not appoint an Architectural Committee for any reason, the Board shall exercise the authority granted to the Architectural Committee under this Declaration. The Architectural Committee may adopt, amend and repeal architectural guidelines, standards and procedures to be used in rendering its decisions. Such guidelines, standards and procedures ("Guidelines") may include, without limitation, provisions regarding (i) architectural design, with particular regard to the harmony of the design with the surrounding structures and topography, (ii) placement of Dwelling Units and other buildings, (iii) landscape design, content and conformance with the character of the Property and permitted and prohibited plants, (iv) requirements concerning exterior color schemes, exterior finishes and materials, (v) signage, and (vi) perimeter and screen wall design and appearance. The decisions of the Architectural Committee shall be final on all matters submitted to it pursuant to this Declaration, but shall be subject to appeal to the Board as the final arbiter, and the decision of the Board in all cases shall be final and binding.

**5.4 Exclusions.** The provisions of this *Article 5* shall not apply to, and approval of the Architectural Committee shall not be required for, the construction, erection, installation, addition, alteration, repair, change or replacement of any Improvements made by or on behalf of Declarant.

## **ARTICLE 6**

### **ORGANIZATION OF ASSOCIATION**

**6.1 Formation of Association.** The Association shall be a nonprofit Arizona corporation charged with the duties and invested with the powers prescribed by law and set forth in the Articles, Bylaws and this Declaration. Neither the Articles nor Bylaws shall, for any reason, be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration.

**6.2 Board of Directors and Officers; Management.** The affairs of the Association shall be conducted by the Board elected in accordance with this Declaration and the Articles and Bylaws, and such officers as the Board may elect or appoint in accordance with the Articles and the Bylaws as the same may be amended from time to time; provided, however, that the initial members of the Board shall be appointed by Declarant in Declarant's sole discretion. The initial Board shall be composed of at least three (3) members. The Board may also appoint various committees and may appoint a manager who shall, subject to the direction of the Board, be responsible for the day-to-day operation of the Association. The Board shall determine the compensation to be paid to the manager or any other employee of the Association. Notwithstanding anything contained in the foregoing or elsewhere in this Declaration to the contrary, the Declarant shall have the right to designate and to determine the compensation to be paid to the initial manager for the Association.

**6.3 Role of Association.** The Association is intended to be an "umbrella" organization whose primary responsibilities will be:

- (a) The maintenance of all Association Maintained Areas;
- (b) Appointment of individuals to serve on the Architectural Committee pursuant to the provisions of *Section 5.3* above; and
- (c) The enforcement of the Covenants contained in this Declaration.

**6.4 The Aldea del Rey Rules.** By a majority vote of the Board, the Association may, from time to time and subject to the provisions of this Declaration, adopt, amend and repeal rules and regulations to be known as the Aldea del Rey Rules, which shall apply to, restrict and govern the use of any Common Areas, Lots or Tracts by any Member, invitee, guest or Resident; provided, however, that the Aldea del Rey Rules shall not be inconsistent with this Declaration, or the Articles or Bylaws of the Association. Upon adoption, the Aldea del Rey Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration. If any portion(s) of this Declaration is ambiguous or conflicting, the Board may clarify the ambiguity with a rule.

**6.5 Personal Liability.** No member of the Board or of any committee of the Association, no officer of the Association, no Declarant and no manager or other employee of the Association shall be personally liable to any Member, or to any other Person, including the Association, for any damage, loss or prejudice suffered or claimed on account of any act, omission, error or negligence of the Association, the Board, the manager, any representative or employee of the Association or any committee, committee member or officer of the Association.

## **ARTICLE 7**

### **MEMBERSHIPS AND VOTING**

**7.1 Owners of Lots.** Each Owner of a Lot shall automatically be a Member of the Association. Each such Membership shall be appurtenant to and may not be separated from ownership of the Lot to which the Membership is attributable, and joint ownership or ownership of undivided interests in any real property which establishes a Membership shall not cause there to be more Memberships than the number established for purposes of this *Section 7.1*. Each Member shall have one (1) Membership for each Lot owned by such Owner within the Property as shown on any Plat. Notwithstanding the fact that Owners of Tracts shall be subject to the Covenants contained in this Declaration which are specifically applicable to the Tracts, Owners of Tracts shall not be Members of the Association.

**7.2 Right to Vote; Declarant's Retention of Class B Voting Rights.** No change in the ownership of a Membership shall be effective for voting purposes unless and until the Board is given actual written notice of such change

and is provided with satisfactory proof thereof. The purchaser of a Lot shall provide notice to the Association of the purchase. The vote for each such Membership must be cast as a unit and fractional votes shall not be allowed. If a Membership is owned by more than one Person or entity and such Owners are unable to agree amongst themselves as to how their vote or votes shall be cast, they shall lose the right to vote on the matter in question. If any Member casts a vote representing a certain Membership, it will thereafter be conclusively presumed for all purposes that such Member was acting with the authority and consent of all other owners of the same Membership unless objection thereto is made at the time the vote is cast. In the event more than one vote is cast for a particular Membership, none of said votes shall be counted and all said votes shall be deemed void. The Association shall have two (2) classes of voting Members, as follows:

7.2.1 Class A. Class A Members shall be all Owners except Declarant. Each Class A Member shall have one (1) vote for each Lot owned by such Member.

7.2.2 Class B. Class B Member shall be the Declarant. The Class B Member shall have three (3) votes for each Lot owned. The Class B Membership shall automatically cease and be converted to a Class A Membership upon the happening of the first of the following events:

(a) The date that is one hundred twenty (120) days after the date on which the total votes of the Class A Members entitled to vote equals the total votes of the Class B Membership;

(b) The date that is twenty (20) years after the date this Declaration is Recorded; or

(c) The date on which Declarant relinquishes its Class B Membership by notifying the Board in writing.

7.3 Membership Rights. Each Member shall have the rights, duties and obligations set forth in this Declaration and such other rights, duties and obligations as are set forth in the Articles and the Bylaws, as the same may be amended from time to time.

**7.4 Transfer of Membership.** The rights and obligations of the Owner of a Membership in the Association shall not be assigned, transferred, pledged, conveyed or alienated in any way except upon transfer of ownership to an Owner's Lot and then only to the transferee of ownership of the Lot. A transferee of a Lot must notify the Board of the transfer in writing, and remains liable for all obligations of the transferor hereunder until the transferee so notifies the Board. A transfer of ownership to a Lot may be effectuated by deed, intestate succession, testamentary disposition, foreclosure of a mortgage or deed of trust of record or such other legal process as is now in effect or as may hereafter be established under or pursuant to the laws of the State of Arizona. Any attempt to make a prohibited transfer shall be void. Any transfer of the ownership of the Lot shall operate to transfer the Membership(s) appurtenant to said Lot to the new Owner thereof.

**ARTICLE 8**  
**COVENANT FOR ASSESSMENTS AND CREATION OF LIEN**

**8.1 Creation of Assessment Right; Covenants to Pay.** In order to provide funds to enable the Association to meet its obligations, there is hereby created a right of assessment exercisable on behalf of the Association by the Board. Assessments shall be for Common Expenses and reserves and shall be allocated equally among all Lots. Each Owner, by acceptance of his, her or its deed with respect to a Lot, is deemed to covenant and agree to pay the Assessments with respect to such Owner's Lot. Each Owner failing to pay an Assessment within fifteen (15) days of the date that the Assessment is due shall also pay a late charge as set by the Board from time to time. The initial late charge shall be the greater of Fifteen Dollars (\$15.00) per month or ten percent (10%) of the unpaid Assessment. Late charges shall be subject to any limitations imposed by the applicable Arizona law or other applicable law, as amended from time to time. The Owner shall also pay all costs and attorneys' fees incurred by the Association in seeking to collect such Assessments and other amounts. The Assessments with respect to a Lot, together with interest, costs and attorneys' fees as provided in this **Section 8.1**, shall also be the personal obligation of the Person who was the Owner of such Lot at the time such Assessments arose with respect to such Lot. No Owner shall be relieved of the obligation to pay any of the Assessments by abandoning or not using his, her or its Lot or the Common Areas, or by leasing or otherwise transferring occupancy rights with respect to his, her or its Lot. However, upon transfer by an Owner of fee title to such Owner's Lot and

PLANNING OFFICIALS

with written notice to the Board, such transferring Owner shall not be liable for any Assessments thereafter levied against such Lot. The personal obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of Assessments or set-off shall be claimed or allowed by reason of the alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration, the Articles or the Bylaws.

**8.2 Purpose of Assessments.** The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Association, for fulfilling all of the Association's rights and obligations contained in the Community Documents, for the improvement and maintenance of the Common Areas, and for all purposes set forth in the Articles, including but not limited to, management fees, insurance premiums unless otherwise provided for, expenses for maintenance, repairs and replacements of Common Areas and the front yards, and charges for water and other utilities for the Common Areas.

8.2.1 A portion of the assessments levied by the Association shall be used to establish and maintain a Reserve Fund. This Reserve Fund shall be established and maintained by the method designated by the terms of this Declaration in parts 8.2.2(a) and 8.2.2(b) below. Such fund shall be deposited in a special account with a safe and responsible depository, and may be in the form of a cash deposit or invested in obligation of, or fully guaranteed as to principal by the United States of America. It is the Declarant's intent that the Association may only use the reserve funds for the purpose of effecting replacements and maintenance of capital and structural elements and mechanical equipment of the Common Areas. Reserve funds may not be expended for any purpose other than the repair, restoration, replacement or maintenance of, or litigation involving the repair, restoration, replacement or maintenance of the Common Areas; however reserve funds may be used to pay for a reserve study and updates.

**8.22 Procedure for Establishing a Reserve Fund.**

a) The Board shall prepare an annual budget for the Association using the procedure set forth in Section 8.6 below. The annual budget shall include contributions to the Reserve Fund, as needed.

b) The Board shall select a funding method that is generally accepted in the industry. The Board shall contribute to the Reserve Fund in an industry standard funding method and as reflected in the Association's initial Reserve Study or any later supplements to that study. Should the total amount in the reserve fund fall ten percent (10%) below the amount on a reserve study prepared according to an industry accepted funding method adopted by the Board, the Association's annual assessments shall automatically increase twenty percent (20%) every year until the Reserve Fund equals or is greater than the amount on a reserve study prepared according to an industry accepted funding method. The twenty percent (20%) increase in the annual assessments occurs by operation of this Declaration and does not require an act or resolution of the Association's Board. When an automatic twenty percent (20%) increase occurs, the entire amount of the twenty percent (20%) increase shall be contributed to the reserve fund, and may not be used for any other purpose. The automatic twenty percent (20%) increase may not be calculated as operating income in the annual budgeting process.

### **8.3 Lien for Assessments; Foreclosure.**

8.3.1 There is hereby created and established a lien in favor of the Association against each Lot which shall secure payment of all present and future Assessments assessed or levied against such Lot or the Owner thereof (to the extent permitted by Arizona law together with any other amounts levied against such Lot or the Owner thereof pursuant to this Declaration or the Articles, the Bylaws or the rules and regulations of the Association). Such lien shall be prior and superior to all other liens affecting the Lot in question, except: (a) taxes, bonds, assessments and other levies which, by law, are superior thereto; and (b) the lien or charge of any First Mortgage made in good faith and for value. Such liens may be foreclosed in the manner provided by law for the foreclosure of mortgages. The sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of the Assessments as to payments which became due prior to such sale or transfer, but shall not relieve such Lot from liability for any Assessments becoming due after such sale or transfer, or from the lien thereof. The Association shall have the power to bid for any Lot at any sale to foreclose the Association's lien on the Lot, and to acquire and hold, lease, mortgage and convey the same. During the period the Lot is owned by the Association, no right to vote shall be exercised with respect to that

1-10-2007 11:00:01 AM

Lot and no Assessment shall be assessed or levied on or with respect to that Lot; provided, however, that the Association's acquisition and ownership of a Lot under such circumstances shall not be deemed to convert the same into Common Areas. Recording of this Declaration constitutes record notice and perfection of the liens established hereby, and further Recordation of any claim of a lien for Assessments or other amounts hereunder shall not be required, whether to establish or perfect such lien or to fix the priority thereof, or otherwise (although the Board shall have the option to Record written notices of claims of lien in such circumstances as the Board may deem appropriate).

8.3.2 The Board may invoke any or all of the sanctions provided for herein or in this Declaration, or any other reasonable sanction, to compel payment of any Assessment or installment thereof, not paid when due (a "Delinquent Amount"). Such sanctions include, but are not limited to, the following:

(a) Interest and Late Fees. The Board may impose late fees for payment of any assessment or installment thereof that is not made within fifteen (15) days of the due date, and interest in an amount not less than twelve percent or in such greater amount as it determines is appropriate from time to time, subject to any limitations stated herein or imposed by law which such amounts shall be secured by the aforementioned liens;

(b) Suspension of Rights. The Board may suspend for the entire period during which a Delinquent Amount remains unpaid the obligated Owner's voting rights (except that any voting rights which are retained by Declarant as provided in *Section 7.2* above shall not be subject to suspension by the Board regardless of whether any Delinquent Amount remains unpaid with respect to the Lot or Lots subject to such voting rights) and rights to use and enjoy the Common Areas, in accordance with the procedures that conform to Arizona law;

(c) Collection of Delinquent Amount. The Board may institute an action at law for a money judgment or any other proceeding to recover the Delinquent Amount;

(d) Recording of Notice. The Board may record a notice of lien covering the Delinquent Amount plus interest and accrued collection costs as provided in this Declaration. The Board may establish a fixed fee

to reimburse the Association or its representative for the cost of recording the notice, processing the delinquency and recording a notice of satisfaction of the lien; and

(e) Foreclosure of Lien. The Board may foreclose the Recorded lien against the Lot in accordance with then prevailing Arizona law relating to the foreclosure of realty mortgages (including the right to recover any deficiency).

8.3.3 It shall be the duty of every Owner to pay all Assessments with respect to the Owner's Lot in the manner provided herein. Such Assessments, together with interest and costs of collection as provided for herein and in this Declaration, shall, until paid, be a charge and continuing servitude and lien upon the Lot against which such Assessments are made, provided, however, that the lien for such Assessments shall be subordinate to only those matters identified in this Declaration. The Association and the Board shall have the authority to exercise and enforce any and all rights and remedies provided for in this Declaration or the Bylaws, or otherwise available at law or in equity for the collection of all unpaid Assessments, interest thereon, costs of collection thereof and reasonable collection agency fees and attorneys' fees.

8.3.4 The Association shall be entitled to maintain suit to recover a money judgment for unpaid Assessments without a foreclosure of the lien for such Assessments, and the same shall not constitute a waiver of the lien for such Assessments.

**8.4 Declarant's Reduced Assessments.** The Declarant shall pay twenty-five percent (25%) of the Annual Assessment on Lots owned by the Declarant. When the Class B Membership ceases, Declarant shall no longer be required to pay any Deficiency Assessments.

**8.5 Deficiency Assessments.** Until the expiration of the Class B Membership, the Declarant shall pay or contribute to the Association cash as may be necessary to make up any budget shortfalls of the Association resulting from the Reduced Assessments paid by the Declarant with respect to any Lots owned by Declarant, which contribution shall be based upon the number of Lots owned by the Declarant, if any, as of the end of the period for which the deficiency has been calculated (hereinafter referred to as "Deficiency Assessments"). In no event shall Declarant be required to pay Deficiency Assessments for a period which, when

added to the reduced Annual Assessment, if any (or pro rata portion thereof), paid for such period, exceeds the Annual Assessments or pro rata portion thereof that would be payable by an Owner other than Declarant.

**8.6 Computation of Annual Assessments; Annual Budget.** The Board shall adopt a budget for each fiscal year of the Association, commencing with the year in which any Common Areas are conveyed to the Association, which budget shall serve as the basis for determining the Annual Assessments for the applicable fiscal year (subject to the limitations below). The annual budget shall include contributions to the Reserve Fund, as needed. Within a reasonable period following the meeting of the Board at which it adopts the budget for the year in question, the Board shall deliver or mail to each Owner a copy of the budget and a statement of the amount of Annual Assessments to be levied against each Owner's Lot for that year. In the event the Board fails to adopt a budget for any fiscal year prior to commencement of such fiscal year, then until and unless such budget is adopted, the budget (and the amount of the assessments provided for therein) for the year immediately preceding shall remain in effect. Except as provided below, neither the budget nor any Annual Assessment levied pursuant thereto shall be required to be approved by the Owners.

**8.7 Due Dates.** Assessments for each fiscal year shall be due and payable as determined by the Board. Assessments shall be deemed "paid" when actually received by the Association or by its designated manager or agent (but if any Assessments are paid by check and the bank or other institution upon which such check is drawn thereafter dishonors and refuses to pay such check, those Assessments shall not be deemed "paid" and shall remain due and payable with interest accruing from the date such Assessments were originally due). If the Board collects assessments on any basis other than annually, there shall be a late fee on each installment not paid within fifteen (15) days of its due date.

**8.8 Maximum Annual Assessment.** The Assessments provided for under *Section 8.6* shall not at any time exceed the "Maximum Annual Assessment," as determined in accordance with this *Section 8.8*. For the fiscal year ending December 31 of the year in which the Common Areas are conveyed to the Association, the Maximum Annual Assessment for each Lot shall be determined by the Board. Thereafter, except as provided below, unless a greater increase is approved by a vote of fifty percent (50%) of the votes of each class of Members represented in Person or by proxy at a meeting of Members called for such purpose at which a quorum is present, the Maximum Annual Assessment for

FINDOT-1 04/03/00

any fiscal year shall be equal to the Maximum Annual Assessment for the immediately preceding fiscal year automatically increased by ten percent (10%) of the previous year's Annual Assessment. Further, notwithstanding the foregoing, the Board may, without the approval of the Members, increase the Maximum Annual Assessment for any fiscal year by an amount sufficient to permit the Board to meet any increases over the preceding fiscal year in: (i) premiums for any insurance coverage required by this Declaration to be maintained by the Association; and (ii) charges for utility services necessary to the Association's performance of its obligations under this Declaration, notwithstanding the fact that the resulting increase in the Maximum Annual Assessment is greater than otherwise permitted under the third sentence of this **Section 8.8**. Increases in Annual Assessments shall be subject to any limitations imposed by the applicable Arizona law.

**8.9 Special Assessments.** The Association may, in addition to the Annual Assessments under **Section 8.6**, levy a Special Assessment but only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a Capital Improvement owned by the Association or for defraying other extraordinary expenses, provided, however, that such Special Assessment must be approved by at least two-thirds (2/3rds) of the votes of a quorum of the Members voting in Person or by proxy at a meeting of the Association duly called for such purpose. Special Assessments shall be assessed uniformly among the Owners.

**8.10 Transfer Fee.** Each Person who purchases a Lot shall pay to the Association or managing agent immediately upon becoming the Owner of the Lot a transfer fee of at least \$200.00 or in such greater amount as is established from time to time by the Board.

**8.11 Operating Expense Fund.** To ensure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Person who purchases a Lot shall pay \$134.00 to the Association immediately upon becoming the Owner of a Lot. Funds paid to the Association pursuant to this **Section 8.11** may be used by the Association for payment of operating expenses or any other purpose permitted under this Declaration. Payments made pursuant to this **Section 8.11** shall be nonrefundable and shall not be offset or credited against or considered as advance payment of the Annual Assessment or any other Assessments levied by the Association pursuant to this

Declaration. Payments made pursuant to this *Section 8.11* shall not be used in calculating the Maximum Annual Assessment pursuant to *Section 8.8* hereof.

**8.12 Capital Reserve Fund.** To assist the Association in establishing adequate funds to meet its Capital Expenses, each Owner who purchases a Lot shall pay \$100.00 to the Association immediately upon becoming the Owner of a Lot (the "Capital Reserve Fee"). Such payment shall be required upon each transfer of title to each Lot. The Board of Directors shall have the discretion to increase this initial contribution to the Capital Reserve Fund to an amount greater than \$100.00. Funds paid to the Association pursuant to this *Section 8.12* are to be used by the Association for payment of establishing and increasing reserves; provided that, so long as there is a Class B membership, such funds may only be used to establish a replacement and repair reserve account or to apply towards repair and reconstruction of Capital Improvements within the Common Areas. Payments made pursuant to this *Section 8.12* shall be nonrefundable and shall not be considered as an advance payment of any other Assessments levied by the Association pursuant to this Declaration. When there is no longer a Class B membership, the Board shall have the right, by an affirmative vote of the majority of the members of the Board, and based upon the Board's analysis of replacement and repair reserves, using an industry accepted funding method, to permanently or temporarily cease to assess the Capital Reserve Fee, and having ceased to assess the Capital Reserve Fee, the Board shall have the right to reinstate the assessment of such fee at any time thereafter, it being the intent that the Board shall have the right to begin or cease assessment of the Capital Reserve Fee as the Board deems appropriate from time to time. Declarant shall not be liable for any past or future Capital Reserve Fund contributions. By agreeing to be bound by this Declaration, each Owner who purchases a Lot agrees and acknowledges that this method of establishing and maintaining a Capital Reserve Fund is adequate to meet anticipated costs to maintain and replace Capital Improvements.

**ARTICLE 9**  
**USE OF FUNDS; BORROWING POWER**

**9.1 Purposes for which Association's Funds May Be Used.** The Association shall apply all funds and property collected and received by it (including the Annual Assessments, Reduced Assessments, Special Assessments and Deficiency Assessments, fees, loan proceeds, surplus funds and all funds and property received by it from any other source) for the common good and benefit of the Property and the Members and Residents by devoting said funds and property, among other things, to the acquisition, construction, alteration, maintenance, provision and operation, by any manner or method whatsoever, of any and all land, properties, improvements, facilities, services, projects, programs, studies and systems, within or without the Property, which may be necessary, desirable or beneficial to the general common interests of the Property, the Members and the Residents. The following are some, but not all, of the areas in which the Association may seek to aid, promote and provide for such common benefit: maintenance of landscaping on Common Areas and public right-of-way and drainage areas within or serving the Property, maintaining the Common Areas as provided in this Declaration, obtaining liability insurance, supplying utilities and other services, providing for communication and transportation within and dissemination of information concerning the Property, obtaining legal and accounting services for the Association, indemnification of officers and directors of the Association and generally protecting the health and safety of the Members and the Residents. The Association may also expend its funds for any purposes which any municipality may expend its funds under the laws of the State of Arizona or under any such municipality's charter.

**9.2 Borrowing Power.** The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such period of time as is necessary or appropriate; provided, however, that no portion of the Common Areas shall be mortgaged or otherwise encumbered without the approval of at least two-thirds (2/3) of a quorum of the Members other than Declarant so long as Declarant is a Class B Member.

11-11-2010 10:00:00 AM

**9.3 Association's Rights in Spending Funds From Year to Year.**

The Association shall not be obligated to spend in any year all the sums received by it in such year (whether by way of Assessments, Deficiency Assessments, Special Assessments, fees or otherwise), and may carry forward as surplus any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessment in the succeeding year if a surplus exists from a prior year and the Association may carry forward from year to year such surplus as the Board in its discretion may determine to be desirable for the greater financial security of the Association and the accomplishment of its purposes.

**9.4 Insurance.** The Association may maintain insurance against liability incurred as a result of death or injury to Persons or damage to property on the Association Maintained Areas, including the Common Areas, directors and officers liability insurance, and/or such other insurance as the Board determines appropriate with the amount and type of coverage to be determined by the Board.

**ARTICLE 10**

**CLAIM AND DISPUTE RESOLUTION/LEGAL ACTIONS**

It is intended that the Common Areas, each Lot, and all Improvements constructed on the Property will be constructed in compliance with all applicable building codes and ordinances and that all Improvements will be of quality that is consistent with good construction and development practices in the area where the Property is located for housing similar to that constructed within the Property. Nevertheless, due to the complex nature of construction and the subjectivity involved in evaluating such quality, disputes may arise as to whether a defect exists and the responsibility therefor. It is intended that all disputes and claims regarding Alleged Defects will be resolved amicably, without the necessity of protracted and costly litigation. Accordingly, the Declarant, the Association, the Board, and all Owners shall be bound by the following claim resolution procedures.

**10.1 Right to Cure Alleged Defect.** If a Claimant claims, contends, or alleges an Alleged Defect, the Declarant shall have the right to inspect, repair and/or replace such Alleged Defect as set forth herein.

**10.1.1 Notice of Alleged Defect.** Within twenty (20) days of the closing on a Lot, the Claimant shall notify the Declarant of any Alleged Defect pursuant to the Declarant's standard punch-list form. If a Claimant thereafter

140001-1-0410004

discovers or becomes aware of an Alleged Defect not noticeable to the average Person, Claimant shall give written notice of the Alleged Defect to the Declarant. Such Notice must be provided within thirty (30) days after discovery thereof or within one (1) year after the Lot is sold to the Owner. With respect to an Alleged Defect with the Common Areas, notice must be provided within one (1) year after the expiration of the Class B Membership.

10.1.2 Right to Enter, Inspect, Repair and/or Replace. Within a reasonable time, but no longer than sixty (60) days after the receipt by Declarant of a notice of an Alleged Defect, or the independent discovery of any Alleged Defect by Declarant, the Declarant, shall have the right, upon reasonable notice to the Claimant and during normal business hours, to enter onto or into the Common Area, any Lot, and/or any Improvements (including the Dwelling Unit of such Claimant) for the purposes of inspecting and/or conducting testing and, if deemed necessary by Declarant, at its sole discretion, repairing and/or replacing such Alleged Defect. In conducting such inspection, testing, repairs and/or replacement, Declarant shall be entitled to take any actions as it shall deem reasonable and necessary under the circumstances. A Claimant shall not pursue any legal remedies until the Claimant has permitted the Declarant to exercise its rights under this *Section 10.1.2*.

**10.2 No Additional Obligations; Irrevocability and Waiver of Right.** Nothing set forth in this Article shall be construed to impose any obligation on Declarant to inspect, test, repair, or replace any item or Alleged Defect for which Declarant is not otherwise obligated under applicable law or any warranty provided by Declarant in connection with the sale of Lots, Dwelling Units and/or other Improvements constructed on the Property. The right reserved to Declarant to enter, inspect, test, repair and/or replace an Alleged Defect shall be irrevocable and may not be waived or otherwise terminated with regard to Declarant except by a written and recorded document executed by Declarant.

**10.3 Legal Actions.** All legal actions initiated by a Claimant shall be brought in accordance with and subject to *Section 10.4* of this Declaration. If a Claimant initiates any legal action, cause of action, regulatory action, proceeding, mediation, or arbitration against Declarant alleging (a) damages for Alleged Defect Costs, (b) for the diminution in value of any real or personal property resulting from such Alleged Defect, or (c) for any consequential damages resulting from such Alleged Defect; any judgment or award in connection therewith shall first be used to correct and/or repair such Alleged Defect or to reimburse the

Claimant for any costs actually incurred by such Claimant in correcting and/or repairing the Alleged Defect. If the Association as a Claimant recovers any funds from Declarant (or any other Person) to repair an Alleged Defect, any excess funds remaining after repair of such Alleged Defect shall be paid into the Association's Capital Reserve Fund. If the Association is a Claimant, the Association must provide a written notice mailed to all Members prior to initiation of any legal action, regulatory action, cause of action, proceeding, reference, mediation or arbitration against Declarant, which notice shall include at a minimum (i) a description of the Alleged Defect; (ii) a description of the attempts of the Declarant to correct such Alleged Defect; (iii) a certification from an architect or engineer licensed in the State of Arizona that such Alleged Defect exists along with a description of the scope of work necessary to cure such Alleged Defect and a resume of such architect or engineer; (iv) the estimated cost to cure the Alleged Defect; (v) the name and professional background of the attorney retained by the Association to pursue the claim against the Declarant and a description of the relationship between such attorney and member(s) of the Board or the Association's management company (if any); (vi) a description of the fee arrangement between such attorney and the Association; (vii) the estimated attorneys' fees, and expert fees and costs necessary to pursue the claim against the Declarant in question, and the source of the funds which will be used to pay such fees and expenses; (viii) the estimated time necessary to conclude the action against the Declarant; and (ix) an affirmative statement from a majority of the members of the Board that the action is in the best interests of the Association and its Members. Notwithstanding any other provision in this Declaration, the Association shall have the power and authority to make claims related to Alleged Defects in the Common Areas. In no event shall the Association have the power or authority to assert any claim related to any Alleged Defect which Alleged Defect relates solely to a Lot or Lots owned by the Members.

**10.4 Alternative Dispute Resolution.** Any dispute or claim between or among (a) Declarant (or its respective brokers, agents, consultants, contractors, subcontractors, or employees) on the one hand, and any Owner(s) who is not the Declarant or the Association, on the other hand; or (b) any Owner and another Owner arising out of this Declaration; or (c) the Association and any Owner regarding any controversy or claim between the parties, including any claim based on contract, tort, or statute, arising out of or relating to (i) the rights or duties of the parties under this Declaration; (ii) the design or construction of any Improvements; (iii) or an Alleged Defect, but excluding disputes relating to the payment of any type of Assessment or enforcement of this Declaration against an

Owner (collectively a "Dispute"), shall be subject first to negotiation, then mediation, and then binding arbitration as set forth in this *Section 10.4*.

10.4.1 Negotiation. Each party to a Dispute shall make every reasonable effort to meet in Person and confer for the purpose of resolving a Dispute by good faith negotiation. Upon receipt of a written request from any party to the Dispute, the Board may appoint a representative to assist the parties in resolving the dispute by negotiation, if in its discretion the Board believes its efforts will be beneficial to the parties and to the welfare of the community. Each party to the Dispute shall bear his/her/its own attorneys' fees and costs in connection with such negotiation.

10.4.2 Mediation. If the parties cannot resolve their Dispute pursuant to the procedures described in *Subsection 10.4.1* above within such time period as may be agreed upon by such parties (the "Termination of Negotiations"), the party instituting the Dispute (the "Disputing Party") shall have thirty (30) days after the Termination of Negotiations within which to submit the Dispute to mediation pursuant to the mediation procedures adopted by Community Association Dispute Resolution Center or any successor thereto or to any other independent entity providing similar services upon which the parties to the Dispute may mutually agree (collectively "CADRC"). No Person shall serve as a mediator in any Dispute in which such Person has a financial or personal interest in the result of the mediation, except by the written consent of all parties to the Dispute. Prior to accepting any appointment, the prospective mediator shall disclose any circumstances likely to create a presumption of bias or to prevent a prompt commencement of the mediation process. If the Disputing Party does not submit the Dispute to mediation within thirty (30) days after Termination of Negotiations, the Disputing Party shall be deemed to have waived any claims related to the Dispute and all other parties to the Dispute shall be released and discharged from any and all liability to the Disputing Party on account of such Dispute; provided, nothing herein shall release or discharge such party or parties from any liability to Persons not a party to the forgoing proceedings.

10.4.2.1 Position Memoranda; Pre-Mediation Conference. Within ten (10) days of the selection of the mediator, each party to the Dispute shall submit a brief memorandum setting forth its position with regard to the issues to be resolved. The mediator shall have the right to schedule a pre-mediation conference and all parties to the Dispute shall attend unless otherwise agreed. The mediation shall commence within ten (10) days following submittal

1000001-1000001

of the memoranda to the mediator and shall conclude within fifteen (15) days from the commencement of the mediation unless the parties to the Dispute mutually agree to extend the mediation period. The mediation shall be held in Pima County, Arizona or such other place as is mutually acceptable by the parties to the Dispute.

10.4.2.2 Conduct of Mediation. The mediator has discretion to conduct the mediation in the manner in which the mediator believes is appropriate for reaching a settlement of the Dispute. The mediator is authorized to conduct joint and separate meetings with the parties to the Dispute and to make oral and written recommendations for settlement. Whenever necessary, the mediator may also obtain expert advice concerning technical aspects of the dispute, provided the parties to the Dispute agree to assume the expenses of obtaining such advice. The mediator does not have the authority to impose a settlement on any party to the Dispute.

10.4.2.3 Exclusion Agreement. Any evidence of admissions, offers of compromise or settlement negotiations or communications at the mediation shall be excluded in any subsequent dispute resolution forum.

10.4.2.4 Parties Permitted at Sessions. Persons other than the parties to the Dispute may attend mediation sessions only with the permission of all parties to the Dispute and the consent of the mediator. Confidential information disclosed to a mediator by the parties to the Dispute or by witnesses in the course of the mediation shall be confidential. There shall be no stenographic record of the mediation process.

10.4.2.5 Expenses of Mediation. All expenses of the mediation, including, but not limited to, the fees and costs charged by the mediator and the expenses of any witnesses or the cost of any proof or expert advice produced at the direct request of the mediator, shall be borne equally by the parties to the Dispute unless agreed to otherwise. Each party to the Dispute shall bear his/hers/its own expert fees, attorneys' fees and costs in connection with such mediation.

10.4.3 Final and Binding Arbitration. If the parties cannot resolve their Dispute pursuant to the procedures described, the Disputing Party shall have thirty (30) days following termination of mediation proceedings (as determined by the mediator) to submit the Dispute to arbitration by filing and serving a demand for arbitration. If the Disputing Party does not submit the

dispute to arbitration within thirty days after termination of mediation proceedings, the Disputing Party shall be deemed to have waived any claims related to the Dispute and all other parties to the Dispute shall be released and discharged from any and all liability to the Disputing Party on account of such Dispute; provided, nothing herein shall release or discharge such party or parties from any liability to Persons not a party to the forgoing proceedings.

The existing parties to the Dispute shall cooperate in good faith to ensure that all necessary and appropriate parties are included in the arbitration proceeding. The Declarant shall not be required to participate in the arbitration proceeding if all parties against whom the Declarant would have necessary or permissive cross-claims or counterclaims are not or cannot be joined in the arbitration proceedings. Subject to the limitations imposed in this ***Subsection 10.4.3***, the arbitrator shall have the authority to try all issues, whether of fact or law.

10.4.3.1 Place. The arbitration proceedings shall be exclusively heard in Pima County, State of Arizona.

10.4.3.2 Arbitration. A single arbitrator shall be selected in accordance with the procedures of CADRC or such other service from panels maintained by the service with experience in relevant matters, which are the subject of the Dispute. The arbitrator shall not have any relationship to the parties or interest in the Property. The parties to the Dispute shall meet to select the arbitrator within ten (10) days after service of the initial complaint on all defendants named therein.

110001-10410000

**10.5 Enforcement of Resolution.** If the parties to a Dispute resolve such Dispute through negotiation or mediation above, and any party thereafter fails to abide by the terms of such negotiation or mediation, or if the parties accept an award of arbitration and any party to the Dispute thereafter fails to comply with such award, then the other party to the Dispute may file suit or initiate proceedings to enforce the terms of such negotiation, mediation, or the award without the need to again comply with the procedures set forth in this Article. In such event, the party taking action to enforce the terms of the negotiation, mediation, or the award shall be entitled to recover from the noncomplying party (or if more than one noncomplying party, from all such parties pro rata), all costs incurred to enforce the terms of the negotiation or mediation or the award including, without limitation, attorneys fees and court costs.

**10.6 Conflicts.** Notwithstanding anything to the contrary in this Declaration, if there is a conflict between this Article and any other provision of the Community Documents, this Article shall control.

**10.7 Arizona Statute Compliance.** In the event a court of competent jurisdiction invalidates all or part of this *Article 10* regarding the resolution of Disputes, and litigation becomes unfortunately necessary, the Declarant, the Association, the Board, and all Owners shall be bound by the applicable Arizona Construction Defect Statute presently codified at A.R.S. § 33-1901.

**10.8 Exclusions.** The Declarant shall not be liable for damages or any defects caused by (a) normal wear and tear, (b) use of property other than normal usage by Owners, Association Members or third parties, (c) alterations by the Owners, or (d) reliance by Declarant on engineering or other reports.

**10.9 Rights Against Declarant.** Nothing in this Declaration shall limit the right of the Association or the Owner of a Lot to pursue appropriate remedies against the Declarant through the Arizona Registrar of Contractors.

**ARTICLE 11**  
**MAINTENANCE**

**11.1 Common Areas and Public Rights-of-Way.** The Association, or its duly delegated representative, shall, in the exercise of its discretion, maintain and otherwise manage, all Common Areas, including, but not limited to, Lot 96 as depicted on the Plat, internal streets, landscaping, walkways, parks, paths, greenbelts, parking areas, entrance gates, drainage retention areas and other facilities. The Association may also maintain any landscaping and other improvements not on Lots which are within the exterior boundaries of the Property and which are intended for the general benefit of the Owners and Residents of the Property, except the Association shall not maintain areas which (a) Pima County or other governmental entity is maintaining, or (b) are required to be maintained by the Owners of a Lot. The Association shall, in the discretion of the Board:

(i) Reconstruct, repair, replace or refinish any Improvement or portion thereof upon Common Areas;

(ii) Replace injured and diseased trees and other vegetation in any Common Area and plant trees, shrubs and ground cover to the extent that the Board deems necessary for the conservation of water and soil and for aesthetic purposes;

(iii) Place and maintain upon any Common Area such signs as the Board may deem appropriate for the proper identification, use and regulation thereof;

(iv) Paint the exteriors of the Dwelling Units as originally constructed at such times as determined by the Board, with the Owners required to prepare the surfaces and the Association may assess the cost of any such preparation to the Owner of the Lot, however it shall be the Owners' obligation to repaint any exterior surface where the need for such painting is caused by damage from errant golf balls; and

(v) Do all such other and further acts which the Board deems necessary to preserve and protect the Common Area and the beauty thereof, in accordance with the general purposes specified in this Declaration.

The Board shall be the sole judge as to the appropriate maintenance of all Common Areas and other properties maintained by the Association. Any cooperative action necessary or appropriate to the proper maintenance and upkeep of said properties shall be taken by the Board or by its duly delegated representative.

In the event any Plat, deed restriction or this Declaration permits the Board to determine whether Owners of certain Lots will be responsible for maintenance of certain Common Areas or public right-of-way areas, the Board shall have the sole discretion to determine whether or not it would be in the best interest of the Owners, Lessees and Residents of the Property for the Association or an individual Owner to be responsible for such maintenance, considering cost, uniformity of appearance, location and other factors deemed relevant by the Board. The Board may cause the Association to contract with others for the performance of the maintenance and other obligations of the Association under this *Article 11* and, in order to promote uniformity and harmony of appearance, the Board may also cause the Association to contract to provide maintenance services to Owners of Lots having such responsibilities in exchange for the payment of such fees as the Association and Owner may agree upon.

**11.2 Streetlights.** The Association, or its duly delegated representative, shall own, operate, maintain and replace any and all streetlights within the Property that are installed as part of the Improvements, and the costs thereof shall be included in the Assessment.

**11.3 Front Yard Landscaping.** The Association shall also maintain the landscaping on the front yards of the Lots. The Board shall maintain them to a standard as determined by the Board, in its sole and absolute discretion. This maintenance obligation shall include the irrigation systems in the front yards of the Lots, if any. Each Owner hereby grants to the Association a blanket easement to enter onto the Lots for the Association or its agents to perform its obligations contained in this Section. No Owner may add, change, remove or otherwise affect any landscaping on the front yard of a Lot without the prior written consent of the Board.

DECLARATION

**11.4 Assessment of Certain Costs of Maintenance and Repair of Common Areas and Public Areas.** In the event that the need for maintenance or repair of Common Areas and other areas maintained by the Association is caused through the act of any Member, his family, guests, tenants or invitees, the cost of such maintenance or repairs shall be due within thirty (30) days of notice and shall be added to, and become a part of, the Assessment to which such Member and the Member's Lot is subject, and shall be secured by the Assessment Lien, provided, that prior to submitting a bill for such costs, the Board shall cause a notice to be sent to Owner specifying the maintenance or repairs, and the Owner shall have the right to object to his/her responsibility. Following the Board's consideration of such objection, the Board may absolve Owner or demand that Owner pay the bill within the thirty (30) day period provided above. The decision of the Board shall be final and binding. Any charges or fees to be paid by the Owner of a Lot in connection with a contract entered into by the Association with an Owner for the performance of an Owner's maintenance responsibilities shall also become a part of such Assessment and shall be secured by the Assessment Lien.

**11.5 Improper Maintenance and Use of Lots and Tracts.** The Owners shall maintain all portions of the Lots, except for the exterior painting and the front yard landscaping. In the event any portion of any Lot is so maintained as to present a public or private nuisance, or as to detract from the appearance or quality of the surrounding Lots, Dwelling Units or other areas of the Property which are substantially affected thereby or related thereto, or in the event any portion of a Lot or Dwelling Unit is being used in a manner which violates this Declaration, or in the event the Owner of any Lot or Dwelling Unit is failing to perform any of its obligations under this Declaration or the Aldea del Rey Rules, the Board may by resolution make a finding to such effect, specifying the particular condition or conditions which exist, and pursuant thereto give notice thereof to the offending Owner that unless corrective action is taken within fourteen (14) days, the Board may cause such action to be taken at said Owner's cost. If at the expiration of said fourteen (14) day period of time the requisite corrective action has not been taken, the Board shall be authorized and empowered to cause such action to be taken (either by undertaking such corrective actions or bringing suit to compel the offending Owner to undertake such corrective action) and the cost thereof, together with any attorney's fees expended by the Association in connection therewith, shall be added to, and become a part of, the Assessment to which the offending Owner and the Owner's Lot or Dwelling Unit is subject, if any, and shall be secured by the Assessment Lien.

**11.6 Conveyance of Common Areas.** Upon completion of construction of any Common Areas, the Declarant, or the Owner thereof if other than the Declarant, shall execute and deliver to the Association a quit-claim deed of conveyance for such Common Areas. Upon Recordation of such Deed, the Association shall be deemed to have assumed all responsibility for the ongoing maintenance, repair and restoration of such Common Areas and in accordance with the Community Documents. After conveyance of any Common Area to the Association and until the Class B Membership expires, the Association shall not further convey the Common Area without the written consent of at least two-thirds (2/3) of the Memberships of the Association.

**ARTICLE 12**  
**RIGHTS AND POWERS OF ASSOCIATION**

**12.1 Association's Rights and Powers as Set Forth in Articles and Bylaws.** In addition to the rights and powers of the Association set forth in this Declaration, the Association shall have such rights and powers as are set forth in its Articles and Bylaws. Such rights and powers, subject to the approval thereof by any agencies or institutions deemed necessary by Declarant, may encompass any and all things which a Person could do or which now or hereafter may be authorized by law, provided such Articles and Bylaws are not inconsistent with the provisions of this Declaration and are necessary, desirable or convenient for effectuating the purposes set forth in this Declaration. After incorporation of the Association, a copy of the Articles and Bylaws of the Association shall be available for inspection at the office of the Association during reasonable business hours.

**12.2 Rights of Enforcement of Provisions of This and Other Instruments.** The Declarant, for so long as it owns any real property within the Plat and/or controls voting rights of Class B Members as set forth in *Section 7.2* above, and the Association, as the agent and representative of the Members, shall each have the right to enforce the provisions of this Declaration. However, if the Declarant or the Association shall fail or refuse to enforce this Declaration or any provision hereof for an unreasonable period of time after written request to do so, then any Member may enforce them for its own right or on behalf of the Association, by any appropriate action, whether in law or in equity, but not at the expense of the Association, provided that if the Board, in its business judgment, deems it inappropriate under the circumstances, such enforcement shall not be required, and no Member may bring an action against the Board or Declarant for

failure to enforce the Community Documents without joining as claimants at least twenty percent (20%) of the Members, and without complying with the provisions contained in *Article 10*.

**12.3 Contracts with Others for Performance of Association's Duties.** Subject to the restrictions and limitations contained herein, the Association may enter into contracts and transactions with others, including Declarant and its affiliated companies, and such contracts or transactions shall not be invalidated or in any way affected by the fact that one (1) or more directors or officers of the Association, or members of any committee, is employed by, or otherwise connected with, Declarant or its affiliates, provided that the fact of such interest shall be disclosed or known to the other directors acting upon such contract or transaction, and provided further that the transaction or contract is fair and reasonable. Any such director, officer or committee member may be counted in determining the existence of a quorum at any meeting of the Board or committee of which he is a member which shall authorize any contract or transaction described above or grant or deny any approval sought by the Declarant or its affiliated companies or any competitor thereof and may vote thereat to authorize any such contract, transaction or approval with like force and effect as if he were not so interested.

## **ARTICLE 13**

### **ANNEXATION AND DEANNEXATION**

**13.1 Annexation of Annexable Property.** The Annexable Property is described on Exhibit B and may be annexed to the Property and become subject to this Declaration and subject to the jurisdiction of the Association without the approval, assent or vote of the Association or its Members, provided that a Supplementary Declaration of Covenants, Conditions and Restrictions, as hereinafter described, covering the portion of the Annexable Property sought to be annexed shall be executed by Declarant, or its successors and assigns, and by the fee title holders of the portions of the Annexable Property sought to be annexed, in the event Declarant or its successors and assigns does not hold fee title to all of said property, and Recorded. Such execution and Recording of a Supplementary Declaration shall constitute and effectuate the annexation of the portion of the Annexable Property described therein, making said real property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter the Annexable Property so annexed shall be part of the Property, and all of the Owners of Lots in the Annexable Property so annexed

11-10-00-1 0-1-0-1-10

shall automatically be Members of the Association. Although Declarant, its successors and assigns, shall have the ability to so annex all or any portion of the Annexable Property, neither Declarant, nor its successors and assigns, shall be obligated to annex all or any portion of the Annexable Property, and such Annexable Property shall not become subject to this Declaration unless and until a Supplementary Declaration annexing such Annexable Property shall have been so executed and Recorded.

**13.2 Annexation of Other Real Property.** Real property other than the Annexable Property may be annexed to the Property and become subject to this Declaration and subject to the jurisdiction of the Association only with the prior written consent of at least fifty-one percent (51%) of a quorum of the Members of the Association. In the event that any additional real property is annexed to the Property, such annexation shall be effected by the Recordation of a Supplementary Declaration covering the real property sought to be annexed and executed and recorded by the Board and by the fee title holders of the real property sought to be annexed.

**13.3 Limitations on and Effect of Annexation.** No Supplementary Declaration shall be executed and Recorded pursuant to this *Article 13* more than twenty (20) years subsequent to the Recording of this Declaration. Such execution and Recording of a Supplementary Declaration shall constitute and effectuate the annexation of said portion of the Annexable Property or other real property described therein, making said real property subject to this Declaration and subject to the functions, powers and jurisdiction of the Association, and thereafter the other real property so annexed shall be part of the Property and all of the Owners of Lots in the other real property so annexed shall automatically be Members of the Association.

**13.4 Deannexation Without Approval.** A portion or portions of the Property may be deannexed from the Property and be withdrawn from this Declaration and the jurisdiction of the Association, provided that a Certificate of Deannexation covering the portion of the Property sought to be deannexed shall be executed and Recorded by Declarant (so long as Declarant owns or controls any Class B Memberships) or its successors and assigns, and by the Owner(s) of all of the real property to be deannexed. No Certificate of Deannexation shall be so executed and Recorded pursuant to this Section more than twenty (20) years subsequent to the Recording of this Declaration.

**13.5 Supplementary Declarations and Certificates of Deannexation.** The annexations and deannexations authorized under the foregoing Sections shall be made by Recording in the office of the County Recorder of Pima County, Arizona, a Supplementary Declaration of Covenants, Conditions and Restrictions, or similar instrument, which shall extend the plan of this Declaration to such property or a Certificate of Deannexation which shall remove the portion of the Property covered thereby from the plan of this Declaration. The Supplementary Declarations contemplated above may contain such complementary additions and modifications of the Covenants, conditions and restrictions contained in this Declaration as may be necessary to reflect the different character, if any, of the annexed property and as are not inconsistent with the plan of this Declaration. In no event, however, shall any such Supplementary Declaration, revoke, modify or add to the Covenants established by this Declaration within the existing Property.

#### ARTICLE 14

#### **TERM; AMENDMENTS; TERMINATION**

**14.1 Term; Method of Termination.** This Declaration shall be effective upon the date of its Recordation and, as amended from time to time, shall continue in full force and effect for a term of twenty (20) years from the date this Declaration is recorded. From and after said date, this Declaration, as amended, shall be automatically extended for successive periods of ten (10) years each, unless there is an affirmative vote to terminate this Declaration by the then Members casting ninety percent (90%) of the total votes cast at a meeting held for such purpose within six (6) months prior to the expiration of the initial effective period hereof or any ten (10) year extension, and by the Declarant to the extent Declarant holds a Class B Membership. This Declaration may be terminated at any time if ninety percent (90%) of the votes cast by the Members shall be cast in favor of termination at a meeting held for such purpose and the Declarant, to the extent it continues to own a Lot in the Property, have voted in favor of termination. Anything in the foregoing to the contrary notwithstanding, no vote to terminate this Declaration shall be effective unless and until the written consent to such termination has been obtained, within a period from six (6) months prior to such vote to six (6) months after such vote, from the holders of First Mortgages to which the Assessment Lien is subordinate, on seventy-five percent (75%) of the Lots upon which there are such First Mortgages. If the necessary votes and consents are obtained, the Board shall cause to be recorded with the County Recorder of Pima County, Arizona, a Certificate of Termination, duly signed by

11/06/2010 2:46 PM

the President or Vice President and attested by the Secretary or Assistant Secretary of the Association, with their signatures acknowledged. Thereupon these Covenants shall have no further force and effect, and the Association shall be dissolved pursuant to the terms set forth in its Articles.

**14.2 Amendments.** Except for Article Ten above, this Declaration may be amended by Recording with the County Recorder of Pima County, Arizona, a Certificate of Amendment, duly signed and acknowledged. The Certificate of Amendment shall set forth in full the amendment adopted, and, except as provided in **Section 14.3** of this Article, shall certify that, at a meeting duly called and held pursuant to the provisions of the Articles and Bylaws, the Owners casting at least sixty-six and two-thirds percent (66 2/3%) of the votes then entitled to be cast voted affirmatively for the adoption of the Amendment and by one-hundred percent (100%) of Declarant's votes, to the extent Declarant continues to own or control any Class B Membership pursuant thereto.
