Such indemnification shall include all expenses and liabilities, including attorneys' fees, reasonably incurred by or imposed upon such person in connection with any proceeding to which he may be a party, or in which he may become involved, by reason of his being or having served in such capacity on behalf of the Association (or in the case of Declarant by reason of having appointed, removed or controlled or failed to control members of the Board or any Association committee) or any settlement thereof, whether or not he is a director, officer or committee member or serving in such other specified

capacity at the time such expenses are incurred. Such indemnification shall be available only if the Board determines, in good faith, that such officer, director, committee member, or other person, or Declarant, did not act, fail to act, or refuse to act with gross negligence or fraudulent or criminal intent in the performance of his duties. The foregoing rights of indemnification shall be in addition to and not exclusive of all other rights to which such persons may be entitled at law or otherwise.

ARTICLE 3 COMMON AREA

Section 3.1. Obligations of the Association.

The Association, subject to the rights of the Members set forth in the Declaration, shall be responsible for the exclusive management, liability and control, for the benefit of the Members, of the Common Area conveyed to it and all Improvements on the Common Area. The Association shall keep the same in good, clean, attractive and sanitary condition, order and repair in compliance with standards set by the Association. The Association shall be responsible for payment of ad valorem taxes assessed against the Common Area.

Section 3.2. Common Area "A" Retention Basin.

A. **Maintenance of the Retention Basin.** As part of its obligation to maintain the Common Area, the Association shall have a civil engineer registered with the State of Arizona prepare a certified inspection report for the Common Area "A" "Retention Basin" not less than once each year. Such reports shall be retained in the Association's records and shall be available for review by the staff of the City of Tucson upon written request.

B. **City Maintenance of the Retention Basin.** The staff of the City of Tucson shall have the right to inspect the Retention Basin to verify that all necessary maintenance is being adequately performed by the Association. In the event the City determines that the Retention Basin is not being adequately maintained, the City may, upon reasonable prior written notice to the Association, enter upon the Retention Basin and perform the necessary maintenance thereon. In such event, the Association shall be obligated to reimburse the City of Tucson for its costs associated with performing the necessary maintenance upon the Retention Basin.

Section 3.3. Damage, Destruction or Taking of Common Area.

A. **Damage or Destruction by an Owner.** Each Owner shall be liable to the Association for any damage to or destruction of Common Area or improvements to the Common Area resulting from an action or the negligence of the Owner or his guests, tenants, licensees, agents, invitees, or members of his family, both minor and adult. In the event of such damage or destruction, such Owner does hereby authorize the Association to repair the damaged or destroyed area in a good, workmanlike manner in conformance with the original plans and specifications of the area involved,

or as the area may have been subsequently modified by the Association, in the discretion of the Board. The Association reserves the right, acting through the Board of Directors or the Covenants Committee and after notice and hearing, to charge a restoration assessment equal to: 1) the increase, if any, in any insurance premium directly attributable to such damage, and 2) the cost of correcting such damage, including any legal costs and costs of collection. In no event shall the Association be required to make any insurance claim related to such damage. In the case of joint ownership of a Lot or if the Owners of more than one Lot are involved, the Owners shall be jointly and severally liable.

B. Other Damage. In the event of major damage to or destruction of any Common Area or improvements to the Common Area, the Association shall be required to repair or restore the affected area unless the Class B Member, so long as it exists, and two-thirds (2/3) of the Owners agree not to repair or restore the area. The proceeds of insurance shall be applied to any such repair or restoration. Any such repair or restoration shall be substantially in accordance with the original plans and specifications of the area involved, or as the area may have been subsequently modified by the Association, in the discretion of the Board of Directors. Any costs of repair or restoration not covered by insurance may be paid from the operating reserve or a special assessment, at the discretion of the Board of Directors.

C. Condemnation or Taking. In the event that any portion of the Common Area is acquired or condemned by any authority exercising the power of eminent domain, all compensation and damages for or on account of such property taken shall be payable to the Association. Such payments may but need not be used by the Association to acquire and develop alternative property and facilities or to further develop or improve existing Common Area or facilities on the Common Area, for the benefit and use of the Members. The Board shall conduct a referendum of the Class A Members and the Class B Member (if it exists) to determine their will as to the use of such funds.

Section 3.4. Title to Common Area.

Subject to applicable law and the requirements of institutional lenders, Declarant may retain the legal title to areas on the plat designated as Common Area, or portions thereof, until such time as it has completed improvements to the Common Area. However, the Declarant hereby covenants that, not later than December 31, 2002, it shall convey or will have conveyed all Common Area to the Association, free and clear of all liens and financial encumbrances. Members shall have all the rights and obligations imposed by the Declaration with respect to Common Area as each portion is completed and opened for use. The Common Area may not be mortgaged or conveyed by the Association without the consent of two-thirds (2/3) of the Owners (excluding Declarant).

Section 3.5. Exemption of Owner.

No Owner may exempt himself from liability for any assessments levied against his Lot pursuant to Article 4 or for other amounts which he may owe to the Association under the Project Documents by waiver and non-use of any of the Common Area and facilities or by the abandonment of his Lot.

112002 112002

Section 3.6. Maintenance of Reserve Fund.

Out of the Regular Assessments, the Association shall establish and maintain a reserve fund for the periodic maintenance, repair and replacement of Improvements to the Common Area that the Association is obligated to maintain under Article 8 of the Declaration.

**ARTICLE 4
ASSESSMENTS**

Section 4.1. Creation of Lien and Personal Obligations.

Except as provided in Section 4.14, each Owner of a Lot, by acceptance of a deed or other conveyance, is deemed to covenant and agree to pay to the Association Regular Assessments, Special Assessments and Capital Improvement Assessments as defined in this Article ["Assessment(s)"]. Such Assessments are to be fixed, established and collected from time to time as hereinafter provided. The Regular Assessments, Special Assessments and Capital Improvement Assessments, together with such interest thereon, late charges, attorneys' fees and court costs, and other costs of collection thereof, as hereinafter provided, shall be a charge on, and a continuing lien upon, the Lot against which each such Assessment is made and shall also be the personal obligation of the Owner of such Lot at the time when the Assessment falls due.

Section 4.2. Purpose of Assessments.

The Assessments levied by the Association shall be used exclusively for the purposes of promoting the recreation, health, safety and welfare of the Owners of Lots within the Property; funding the obligations and duties of the Association as set forth in the Declaration; and payment of the other expenses (including any reserve fund) (collectively, "Common Expenses").

Section 4.3. Regular Assessments.

A. The Board, in accordance with the Project Documents, shall fix and establish the amount, manner, and time of payment of the Regular Assessment. Such Regular Assessment shall be equal to each Owner's proportionate share of the annual Common Expenses. Subject to Article 4.14, such proportionate share shall be determined by multiplying the annual Common Expenses by a fraction equal to one divided by the total number of Lots then within the Property.

B. Not later than thirty (30) days prior to the beginning of each fiscal year of the Association, the Board shall estimate the total Common Expenses to be incurred for such fiscal year. The Board shall at that time determine the amount of the Regular Assessment to be paid by each Owner and notify the Owner thereof. Each Owner shall thereafter pay to the Association his Regular Assessment in monthly installments, in advance, or at such other intervals as the Board may determine. Each such installment shall be due and payable on the date set forth in the written notice

sent to Owners. If the Board determines that the total Regular Assessments for the current year are, or will become, inadequate to meet all Common Expenses for whatever reason (including actual Common Expenses in excess of the estimated Common Expenses used in preparation of the Association's budget for that year), the board shall immediately determine the approximate amount of such inadequacy and issue a supplemental estimate of the Common Expenses and determine the revised amount of Regular Assessments to be paid by each Owner for the balance of the year, and the date or dates when due. If the estimated total Regular Assessments for the current year prove to be excessive in light of the actual Common Expenses, the Association may, at the discretion of the Board, retain such excess as additional working capital or reserves, reduce the amount of the Regular Assessments for the succeeding year, or abate collection of Regular Assessments for such period as it deems appropriate; provided, however, that no reduction or abatement of Regular Assessments because of any such anticipated surplus may diminish the quantity or quality of services upon which the Common Expenses for the year in question is based.

Section 4.4. Special Assessments.

Special Assessments shall be levied by the Association against an Owner and any property interest in the Property owned by such Owner, to reimburse the Association for:

- A. Costs incurred in bringing an Owner or resident into compliance with the provisions of the Project Documents;
- B. Any other charge designated as a Special Assessment in the Project Documents or by the Board;
- C. Fines levied or fixed by the Board as otherwise provided herein; and
- D. Attorney's fees, interest and other costs or charges to be paid as, or which are incurred in connection with, a Special Assessment in accordance with the Project Documents.

Section 4.5. Capital Improvement Assessments.

The Board may levy a Capital Improvement Assessment, applicable only to that particular year, against each Lot for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, unexpected repair or replacement, to the extent not covered by insurance, of a described capital improvement upon the Common Area, including the necessary fixtures and personal property related thereto. Each Owner's proportionate share shall be determined in the same manner as an Owner's share of Regular Assessments.

Section 4.6. Uniform Assessment.

Subject to Article 4.14, the Regular Assessments and Capital Improvement Assessments for each Owner shall be uniform.

Section 4.7. Exempt Property.

All properties dedicated to and accepted by, or otherwise owned or acquired by, a public authority shall be exempt from the Assessments created herein.

Section 4.8. Date of Commencement of Regular Assessment.

The Regular Assessments provided for herein shall commence on the date of the conveyance by Declarant to an Owner of the first Lot within the Property. Prior to the commencement of the Regular Assessments as provided above, Declarant will provide for the maintenance of the Common Areas at no cost to the Association.

Section 4.9. Time and Manner of Payment; Late Charges and Interest.

Assessments shall be due and payable by the Owners in such manner and at such times as the Board shall designate. If not paid within ten days after its due date, each such Assessment shall have added to it a late charge equal to 10% of the amount of the Assessment and thereafter bear interest as provided in Article 13 until paid. The Association may, in its sole and absolute discretion and without waiving the imposition of a late charge or interest in any other instance, waive the late charge or interest in any particular instance.

Section 4.10. No Offsets.

All Assessments shall be payable in the amount specified in the Assessment or notice of Assessment and no offsets against such amount shall be permitted for any reason, including, without limitation, a claim that (i) the Association, the Board, or Declarant is not properly exercising its duties and powers as provided in the Declaration; (ii) Assessments for any period exceed Common Expenses; or (iii) an Owner has made, or elects to make, no use of the Common Area.

Section 4.11. Reserves.

The reserves which may be collected as part of the Regular Assessments shall be deposited by the Association in a separate bank account to be held in trust for the purposes for which they are collected. Such reserves shall be deemed a contribution to the capital account of the Association by the Owners. The responsibility of the Board (whether while controlled by Declarant or the Members) shall be only to provide for such reserves as the Board in good faith deems reasonable, and neither Declarant, the Board or any member thereof shall have any liability to any Owner or to the Association if such reserves prove to be inadequate.

Section 4.12. Subordination of Lien.

Any lien which arises against a Lot by reason of the failure or refusal of an Owner to make timely payment of any Assessment shall be subordinate to the lien of a First Mortgage on the Lot,

of the Improvement, or unless legal proceedings shall have been instituted to enforce compliance or completion within said one-year period, then the completed Improvements shall be deemed to be in compliance with plans and specifications approved by the Architectural Committee and in compliance with the Architectural Standards and this Declaration, but only with respect to purchasers and encumbrancers in good faith and for value; and

C. Such other limitations and restrictions as the Board or Architectural Committee in its reasonable discretion shall adopt, including, without limitation, the regulation of all landscaping (including an absolute prohibition of certain types of landscaping, trees and plants), construction, reconstruction, exterior addition, change or alteration to or maintenance of any building, structure, wall or fence, including, without limitation, the nature, kind, shape, height, materials, exterior color, surface texture and location of any such Improvements.

Section 5.4. Approval of Plans for Improvements or Alterations.

No Improvements, alterations, repairs, excavations, landscaping or other work which in any way alters the previously approved exterior appearance of any property or Improvements located thereon from its natural or improved state including, without limitation, the painting (other than painting with the same color of paint as previously existed) of exterior walls, patio covers and fences shall be made or done except in compliance with plans and specifications therefore which have been submitted to and approved by the Architectural Committee ("Submitted Plans"). Submitted Plans shall include, at a minimum, the following: a fully dimensioned drawing of the proposed Improvement, alteration, repair, excavation, landscaping or other work; its location on a plot plan of the applicant's Lot, including distances to existing Improvements on the Lot; and a description of the materials to be used and the final color. No change or deviations in or from such plans and specifications once approved shall be made without the prior written approval of the Architectural Committee. No Owner or other parties shall have recourse against the Architectural Committee for its refusal to approve any such plans and specifications or plot plan, including lawn area and landscaping. Notwithstanding any other term or condition hereof, such planting and landscaping which is not Visible from a Neighboring Property shall not require the prior written approval of the Architectural Committee provided such planting and landscaping does not otherwise violate the terms of the Declaration and no plants listed on the prohibited plants list, if any, are planted on the Lot. Declarant is expressly exempt from the provisions of this section.

Section 5.5. Decision of the Architectural Committee; Approval or Disapproval.

All decisions of the Architectural Committee shall be by the affirmative vote of a majority of its members. The Architectural Committee's approval or disapproval of a request made pursuant to these restrictions shall be in writing. In the event the Architectural Committee fails to approve or disapprove any matter within forty five (45) days after final plans and specifications have been submitted to it, such matter shall be deemed approved notwithstanding the requirement of prior written approval of the Architectural Committee. An Owner may appeal a decision by a Board-appointed Architectural Committee in writing to the Board within thirty (30) days of the Architectural

Committee's decision Upon appeal, the Board may, in its sole discretion, sustain, alter, or reverse the decision of the Architectural Committee. If the Board fails to render a decision on an appeal within forty five (45) days of its receipt of notice of appeal, the decision of the Architectural Committee shall be deemed sustained.

Section 5.6. Variances.

Further, in the event any of Lots 54-63 share a wall along their rear boundary lines with lots in the adjacent Wilmot Pointe subdivision, such walls shall also be considered Party Walls which are subject to the terms and conditions of this Article. Any dispute concerning such Party Walls shall be submitted for resolution to the Covenants Committee of the Association and concurrently to the Covenants Committee of the Wilmot Pointe Homeowners' Association.
