length or similar vehicles or equipment) shall be kept, placed or maintained upon the Property or any roadway adjacent thereto, except: (a) within a fully-enclosed garage appurtenant to a Dwelling Unit; or (b) in such areas and subject to such rules and regulations as the Board may designate and adopt in its sole discretion (and the Board in its sole discretion may prohibit such other vehicles and equipment completely). No vehicle (including, but not limited to, those enumerated in the preceding sentences) shall be constructed, reconstructed or repaired on the Property or any roadway therein or adjacent thereto except within a fully enclosed garage. No motor vehicles of any kind which are not in operating condition shall be parked in any unenclosed parking areas (including, but not limited to, private driveways appurtenant to a Dwelling Unit). The provisions of this *Section 5.12* shall not apply to (a) vehicles of Declarant or its employees, agents, Affiliates, contractors or subcontractors during the course of construction activities or sales activities upon or about the Property, or (b) vehicles used by the Association in repairing, maintaining and replacing the Common Areas and all Improvements thereon, and in performing all other rights, duties and obligations of the Association under this Declaration.

5.13 Fences, Interferences and Obstructions. No fence, wall, hedge, shrub or other plant which obstructs sight lines at elevations between two (2) feet and six (6) feet above adjacent public streets shall be permitted on any corner Lot within the triangular area formed by the streets and a straight line connecting those property lines at points twenty-five (25) feet from the intersection of those property lines (or, in the case of a rounded Lot corner, from the intersection of those property lines as extended). No tree shall be permitted to remain within such area unless the foliage line is maintained a sufficient height to prevent obstruction of such sight lines.

5.14 Leasing; Obligations of Tenants and Other Occupants. All tenants shall be subject to the terms and conditions of this Declaration, the Articles, the Bylaws and the Association Rules. Each Owner shall cause his, her or its tenants or other Occupants to comply with this Declaration, the Articles, the Bylaws and the Association Rules and, to the extent permitted by applicable law, shall be responsible and liable for all violations and losses caused by such tenants or Occupants, notwithstanding the fact that such tenants or Occupants are also fully liable for any violation of each and all of those documents. No Owner may lease less than his, her or its entire Lot. No Lot may be leased for a period of less than thirty (30) days. The provisions of this *Section 5.14* shall not apply to Declarant's use of Lots owned by (or leased to) Declarant as a model home or for marketing purposes.

5.15 Landscaping and Maintenance; Reconstruction. Within ninety (90) days of acquiring an improved Lot, each Owner (other than Declarant) shall landscape (if not already landscaped) such Lot and any public right-of-way areas (other than sidewalks or bicycle paths) lying between the front or side boundaries of such Lot and an adjacent street. Each Owner shall maintain the landscaping on such Owner's Lot and any public right-of-way areas lying between the front or side boundaries of such Lot and an adjacent street and shall keep the land free of debris and weeds at all times and promptly repair portions of the landscaping which have been damaged. Landscaping plans shall be approved by the Committee prior to installation and landscaping to be installed in compliance with applicable Design Guidelines and the approved

plans. Each Owner shall maintain the aforementioned landscaping and exterior of the Owner's Dwelling Unit in a neat, clean and attractive condition consistent in appearance with other property maintained, improved Lots within the Community. As provided in *Section 13.3*, each Owner or Occupant is encouraged, but is not obligated, to obtain for such Person's benefit property and casualty insurance insuring such Person's real or personal property interests on or within the Property. However, notwithstanding the fact that an Owner or Occupant maintains, or fails to maintain, insurance on his real or personal property interests on or within the Property, in the event any Dwelling Unit or other structure is totally or partially damaged or destroyed by fire, Act of God or any other cause, the Owner shall fully repair the damage and complete reconstruction of the Dwelling Unit or other structure within eighteen (18) months after occurrence of the damage or destruction. The provisions of this *Section 5.15* shall not apply to any Lot or other property owned by Declarant.

5.16 Signs. No signs of whatever nature shall be placed on any Lot which are Visible From Neighboring Property except (a) signs required by legal proceedings; (b) a maximum of two (2) street address identification signs for each individual residence, each with a maximum face area of 72 square inches or less; (c) "for sale" and "for lease" signs no larger than five (5) square feet; and (d) signs used by Declarant to advertise the Property during the construction and sales period.

5.17 Prohibited Uses. No use which is offensive by reason of odor, fumes, dust, smoke, noise, glare, heat, sound, vibration, radiation or pollution, or which constitutes a nuisance or unreasonable source of annoyance, or which is hazardous by reason of risk of fire or explosion, or which is injurious to the reputation of any Owner shall be permitted on any Lot. No use which is in violation of the laws (after taking into account the application of any validly granted or adopted variance, exception or special use ordinance or regulation) of the United States, the State of Arizona, the City of Tucson or any other governmental entity having jurisdiction over the Property shall be conducted on any Lot. The provisions of this *Section 5.17* shall not apply to any activity of Declarant or its employees, agents, Affiliates, contractors or subcontractors during the course of construction activities or sales activities upon or about the Property.

5.18 Dust Control. After the sale of a Lot by Declarant, the areas on each Lot that are not improved with buildings ("Clear Areas") shall be landscaped as provided in *Section 5.15*. After a sale of the lot by Declarant, until such landscaping is installed, the Clear Areas shall be maintained in a neat and attractive condition, free of weeds and debris and the Owner thereof shall take necessary and appropriate measures to prevent and control the emanation of dust and dirt from the Clear Areas, which may include the use of gravel, grass, ground cover, or the sealing of the ground surface. After landscaping has been installed, each Owner shall continue to maintain its Lot in a manner that minimizes the possibility of dust being transmitted into the air and over adjacent properties. Nothing in this *Section 5.18* shall be interpreted to require Declarant to landscape a Lot before a sale of such Lot by Declarant.

5.19 Nuisances. No rubbish or debris of any kind shall be placed or permitted to accumulate upon any portion of the Property for any unreasonable time, and no odors shall be

permitted to arise therefrom, so as to render the Property or any portion thereof unsanitary, unsightly, offensive or detrimental to any other portion of the Property in the vicinity thereof or to its Owners or Occupants. No loud, noxious or offensive activity shall be carried on or permitted on any Lot, nor shall anything be done thereon which may be, or may become, an annoyance or nuisance to Persons or property in the vicinity of such Lot, or which shall interfere with the quiet enjoyment of each of the Owners and Occupants. The Board shall have the right, but not the obligation, to determine, in its sole discretion, whether the provisions of this *Section 5.19* have been violated. Any decision rendered by the Board shall be conclusive and shall be enforceable in the same manner as other restrictions in this Declaration. The provisions of this *Section 5.19* shall not apply to any activity of Declarant or its employees, agents, Affiliates, contractors or subcontractors during the course of construction activities or sales activities upon or about the Property.

5.20 Drainage. No Owner or Occupant shall interfere with the drainage established for his Lot, the Property or any other property adjacent to his Lot.

5.21 Party Walls. Except as provided in *Section 11.2*, the rights and duties of Owners of contiguous Lots that have shared walls or fences ("Party Walls") shall be as follows:

(a) each Owner shall have an equal right to use the Party Walls to the extent such use does not interfere with the other Owner's use and enjoyment thereof;

(b) if a Party Wall is damaged or destroyed through the act or omission of an Owner or the Owner's Occupants, agents, guests or family (whether or not such act is negligent or otherwise culpable), such Owner shall be obligated to rebuild and repair the Party Wall at the Owner's sole expense (provided that this shall not bar such Owner from recovering, or seeking to recover, all or any part of such expense from any insurer, Occupant, agent, guest or other Person who otherwise may be liable to such Owner);

(c) if any portion of a Party Wall is damaged or destroyed other than by the act of an adjoining Owner or the Owner's Occupants, agents, guests or family, or deteriorates from ordinary wear and tear, it shall be the joint obligation of all Owners whose Lots adjoin such portion of the Party Wall to immediately rebuild and repair it, and the expense shall be ratably divided among such Owners based on the amount of linear footage of their respective Lots located along such portion of the Party Wall;

(d) if a dispute occurs between Owners regarding a Party Wall or the sharing of the cost thereof, such Owners shall submit the dispute to the Committee, whose decision shall be binding unless appealed to the Board, in which event the Board's decision shall be binding and final. Notwithstanding any such decision, no Owner is prohibited from seeking indemnity from the party causing the damage;

(e) The Association shall have the right, but not the obligation, to perform any work which an Owner or Owner(s) fails to do in a timely manner. The Owner(s) responsible for such work shall upon demand pay all costs incurred by the Association

together with interest at twelve percent (12%) per annum and an administrative fee at ten percent (10%) of the amount incurred by the Association.

5.22 Exemption of Declarant and Designated Builders. Nothing contained in this Declaration shall be construed to prevent the construction, installation or maintenance by Declarant (or its designated agents and contractors) and each Designated Builder (subject to approval by Declarant) during the period of development, construction, sales and marketing on the Property, of any model homes and sales offices and parking incidental thereto, construction trailers, landscaping or signs deemed necessary or convenient by Declarant and each Designated Builder (subject to the approval of Declarant), in their sole discretion, to the development, construction, sale and marketing of property within the Property. Any actions taken by a Designated Builder pursuant to this Section shall require the prior approval of Declarant, which shall not be unreasonably withheld.

5.23 Miscellaneous. The Board, in its good-faith discretion, may grant such waivers of the restrictions contained in this Article 5 as it shall deem appropriate, so long as the use permitted by such waiver shall not result in an unsafe, unsanitary or aesthetically displeasing condition and shall not result, in the Board's discretion, in a substantial departure from the common plan of development contemplated by this Declaration. In addition, the Property shall continue at all times to be subject to applicable zoning laws and ordinances; provided, however, that where the provisions of this Declaration are more restrictive than such laws or ordinances, the provisions of this Declaration shall control.

ARTICLE 6

ORGANIZATION OF ASSOCIATION

6.1 Formation of Association. The Association shall be a nonprofit Arizona corporation charged with the duties and vested with the powers prescribed by law and as set forth in the Articles, the Bylaws and this Declaration. Neither the Articles nor the Bylaws shall be amended or interpreted so as to be inconsistent with this Declaration.

6.2 Board of Directors and Officers. The affairs of the Association shall be conducted by the Board and such officers as the Board may elect or appoint in accordance with the Articles and Bylaws. The Board may appoint various committees at its discretion. The Board may also appoint or engage a manager and/or other staff members to be responsible for the day-to-day operation of the Association. The Board shall determine the compensation to be paid to each such employee.

6.3 Association Rules. By a majority vote of the Board, the Association may, from time to time and subject to the provisions of this Declaration, adopt, amend and repeal the Association Rules. The Association Rules may restrict and govern the use of the Common Areas, provided that the Association Rules shall not discriminate among Owners and Occupants except to reflect their different rights and obligations as provided herein, and shall not be inconsistent with this Declaration, the Articles or the Bylaws. Upon adoption, the Association

Rules shall have the same force and effect as if they were set forth herein. A copy of the Association Rules, as adopted or amended, shall be available for inspection at the office of the Association.

6.4 **Personal Liability.** No Board member, officer, committee member, employee or representative of the Association, nor the Association, shall be personally liable to any Owner, or to any other Person, including the Association, for any damages, losses, costs, fees (including reasonable attorneys' fees), or any prejudice suffered or claimed on account of any of their acts, omissions, errors or negligence, unless such person has engaged in willful or intentional misconduct.

ARTICLE 7

MEMBERSHIPS AND VOTING

7.1 **Membership.** Every Owner, including Declarant, automatically shall be a Member of the Association with voting rights as provided in this Declaration for so long as such ownership continues. A Person's Membership in the Association shall close and terminate immediately when such Person is no longer an Owner. Each Owner's membership in the Association shall be appurtenant to, and may not be separated from ownership of, the Lot to which the membership is attributable. In the event any Lot is owned by two or more Persons, whether by joint tenancy, tenancy in common, community property or otherwise, each such Person shall be considered a Member but the membership as to such Lot shall be joint, and such Persons shall jointly designate to the Association in writing one of their number who shall have the power to vote said membership; provided, however, that if any one of such Persons casts a vote or votes representing a Lot without objection from any other Person sharing ownership of such Lot, that Person will thereafter be conclusively presumed to be acting with the authority and consent of all other Persons sharing ownership of such Lot unless and until objection thereto is made to the Board, in writing, at or prior to the time the vote or votes are cast. Neither Membership in the corporation nor a Member's share, right, title or interest in and to the funds and assets of the corporation can be transferred, assigned or hypothecated except as an appurtenance to the Member's ownership of a Lot. Membership may be evidenced by an official list of Owners, which list shall be kept by the Secretary of the Association and as provided by applicable law.

7.2 **Votes.** The Association shall have two classes of voting Members. Class A Members shall be all Owners, except Declarant and each Designated Builder while the Class B Membership is in effect. A Class A Member shall have one (1) vote for each Lot owned by such Member. The Class B Members shall be Declarant and each Designated Builder. The Class B Members shall have three (3) votes for each Lot owned by Declarant and each Designated Builder. No change in the ownership of a Lot shall be effective for voting purposes until the Board receives satisfactory evidence thereof. Fractional votes shall not be allowed. The Class B Membership shall automatically cease and be converted to a Class A Membership upon the happening of the first of the following events:

(a) the date seventy-five percent (75%) of the Lots have been conveyed to a Person other than Declarant or a Designated Builder;

(b) the date which is twenty (20) years after the date this Declaration is Recorded; or

(c) the date on which Declarant and each Designated Builder relinquishes the Class B Membership by notifying the Class A Members in writing.

7.3 Property Rights. Every Owner shall have a non-exclusive right and easement of enjoyment in, to and over the Common Areas, subject to this Declaration and to reasonable rules adopted by the Board pursuant hereto. Any Owner may assign that right of enjoyment to (and share the same with) the members of his or her household and assign the same to and share the same with his, her or its tenants and invitees subject to the provisions of this Declaration and to reasonable regulation by the Board. An Owner who leases his, her or its Lot shall be deemed to have delegated such Owner's rights and easements under this *Section 7.3* to the lessee of such Lot for the term of such lease.

ARTICLE 8

ASSESSMENTS

8.1 Creation of Assessment Right; Covenants to Pay. In order to provide funds to enable the Association to meet its obligations and to create and maintain appropriate reserves, there is hereby created a right of assessment exercisable on behalf of the Association by the Board. Assessments (herein "Assessments") shall be for Common Expenses and shall be allocated equally among all Lots. Each Owner, by acceptance of his, her or its deed with respect to a Lot, is deemed to covenant and agree to pay the Assessments with respect to such Owner's Lot. Each Owner failing to pay an Assessment within fifteen (15) days of the date that the Assessment is due shall also pay a late charge as set by the Board from time to time. The initial late charge shall be the greater of fifteen dollars (\$15.00) per month or ten percent of the unpaid Assessment. The fifteen-day delinquency period and late charges shall be subject to any limitations imposed by A.R.S. § 33-1803 or other law as amended from time to time. The Owner shall also pay all costs and reasonable attorneys' fees incurred by the Association in seeking to collect such Assessments and other amounts. The Assessments with respect to a Lot, together with interest, costs and reasonable attorneys' fees as provided in this *Section 8.1*, shall also be the personal obligation of the Person who was the Owner of such Lot at the time such Assessments arose with respect to such Lot; provided, however, that the personal obligation for delinquent Assessments shall not pass to a successor in title of such Owner unless expressly assumed by such successor. No Owner shall be relieved of the obligation to pay any of the Assessments by abandoning or not using his, her or its Lot or the Common Areas, or by leasing or otherwise transferring occupancy rights with respect to his, her or its Lot. However, upon transfer by an Owner of fee title to such Owner's Lot, such transferring Owner shall not be liable for any Assessments thereafter levied against such Lot. The obligation to pay Assessments is a separate and independent covenant on the part of each Owner. No diminution or abatement of

11997

Assessments or set-off shall be claimed or allowed by reason of the alleged failure of the Association or Board to take some action or perform some function required to be taken or performed by the Association or Board under this Declaration, the Articles or the Bylaws.

3.2 Lien for Assessments; Remedies; Foreclosure. There is hereby created and established a lien in favor of the Association against each Lot which shall secure payment of all present and future Assessments assessed or levied against such Lot or the Owner thereof (together with any other amounts levied against such Lot or the Owner thereof pursuant to the Declaration or the Articles, the Bylaws or the Association Rules). Such lien shall be prior and superior to all other liens affecting the Lot in question, except: (a) taxes, bonds, assessments and other levies which, by law, are superior thereto; and (b) the lien or charge of any First Mortgage. Recording of this Declaration constitutes record notice and perfection of the liens established hereby, and further Recordation of any claim of a lien for Assessments or other amounts hereunder shall not be required, whether to establish or perfect such lien or to fix the priority thereof, or otherwise (although the Board shall have the option to Record written notices of claims of lien in such circumstances as the Board may deem appropriate). The Board may invoke any or all of the sanctions provided for herein, or any other reasonable sanction, to compel payment of any Assessment or installment thereof, not paid when due (a "Delinquent Amount"). Such sanctions include, but are not limited to, the following:

(a) **Interest and Late Fees.** The Board may impose late fees and interest in such amounts as it determines are appropriate from time to time, subject to any limitations stated in the Declaration or imposed by law;

(b) **Suspension of Rights.** The Board may suspend for the entire period during which a Delinquent Amount remains unpaid the obligated Owner's voting rights and rights to use and enjoy the Common Areas;

(c) **Collection of Delinquent Amount.** The Board may institute an action at law to recover a money judgment or any other proceeding to recover the Delinquent Amount, rent, interest and attorneys' fees without foreclosing or waiving the lien securing same;

(d) **Recording of Notice.** The Board may record a notice of lien covering the Delinquent Amount plus interest and accrued collection costs as provided in the Declaration. The Board may establish a fixed fee to reimburse the Association or its representative for the cost of recording the notice, processing the delinquency and recording a notice of satisfaction of the lien; and

(e) **Foreclosure of Lien.** The Board may foreclose the Recorded lien against the Lot in accordance with then prevailing Arizona law relating to the foreclosure of realty mortgages (including any right to recover any deficiency). The sale or transfer of any Lot pursuant to a mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of the Assessments as to payments which became due prior to such sale or transfer, but shall not relieve such Lot from liability for any Assessments

applicable), the budget (and the amount of the Assessments provided for therein) for the year immediately preceding shall remain in effect. Except as provided in *Section 8.6*, neither the budget nor any Annual Assessment levied pursuant thereto shall be required to be approved by the Owners. The Board may increase the Annual Assessments to meet the Association's expenses which exceed the amounts previously budgeted, if the Board determines that such Assessments become necessary or desirable during the fiscal year.

8.5 Due Dates. Assessments shall be due and payable as determined by the Board. Assessments shall be deemed "paid" when actually received by the Association or by its designated manager or agent (but if any Assessments are paid by check and the bank or other institution upon which such check is drawn thereafter dishonors and refuses to pay such check, those Assessments shall not be deemed "paid" and shall remain due and payable with interest accruing from the date such Assessments were originally due).

8.6 Maximum Annual Assessment. The Annual Assessments provided for herein shall not at any time exceed the "Maximum Annual Assessment," as determined in accordance with this *Section 8.6*. For the fiscal year ending December 31, 2003, the Maximum Annual Assessment shall be Fifteen Dollars (\$15.00) per month for each Lot. Thereafter, except as provided below, unless a greater increase is approved by a vote of two-thirds (2/3) of the votes of each class of Members represented in person or by proxy at a meeting of Members called for such purpose, the Maximum Annual Assessment for any fiscal year shall be equal to the Maximum Annual Assessment for the immediately preceding fiscal year increased at a rate equal to the greater of: (a) the percentage increase for the applicable fiscal year over the immediately preceding fiscal year in the Consumer Price Index -- All Urban Consumers -- All Items (1982-1984 Average = 100 Base) published by the Bureau of Labor Statistics of the U.S. Department of Labor (or its successor); or (b) twenty percent (20%). Further, notwithstanding the foregoing, the Board may, without the approval of the Members, increase the Maximum Annual Assessment for any fiscal year by an amount sufficient to permit the Board to meet any increases over the preceding fiscal year in: (i) premiums for any insurance coverage required by this Declaration to be maintained by the Association; and (ii) charges for utility services necessary to the Association's performance of its obligations under this Declaration, notwithstanding the fact that the resulting increase in the Maximum Annual Assessment is greater than otherwise permitted under the third sentence of this *Section 8.6*. Increases in Annual Assessments shall be subject to any limitations imposed by A.R.S. § 33-1803 or other law as such may be amended from time to time.

8.7 Special Assessments. In addition to levying Annual Assessments, the Board may levy a Special Assessment, but only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement owned by the Association or for defraying other extraordinary expenses, provided, however, that such Special Assessment must be approved by at least two-thirds (2/3rds) of the votes of each class of Members voting in Person or by proxy at a meeting of the Association duly called for such purpose. Special Assessments shall be assessed uniformly among the Owners. Special Assessments shall not be subject to the Maximum Annual Assessment limitations set forth in *Section 8.6*.

8.8 Reserve Fund. To insure that the Association shall have adequate funds to meet its expenses or to purchase necessary equipment or services, each Person, with the exception of Declarant and each Designated Builder who as a result of a purchase obtains title to a Lot shall pay to the Association immediately upon becoming the Owner of a Lot a sum equal to one-sixth (1/6) of the current Annual Assessment for the Lot. Funds paid to the Association pursuant to this *Section 8.8* may be used by the Association for any purpose permitted under this Declaration. Payments made pursuant to this *Section 8.8* shall be nonrefundable and shall not be offset or credited against or considered as advance payment of any Assessments levied pursuant to this Declaration. Assessments pursuant to this *Section 8.8* shall not be subject to the Maximum Annual Assessment pursuant to *Section 8.6*, but are secured by the lien created by *Section 8.2*.

8.9 Transfer Fee. Each Person, other than Declarant and each Designated Builder, who as a result of a purchase obtains title to a Lot shall pay to the Association immediately upon becoming the Owner of the Lot a transfer fee in such amount as is established from time to time by the Board. Assessments pursuant to this *Section 8.9* shall not be subject to the Maximum Annual Assessment pursuant to *Section 8.6*, but are secured by the lien created by *Section 8.2*.

8.10 Records and Statements of Payment. The Treasurer shall cause to be kept detailed and accurate records, in chronological order, of the receipts and expenditures affecting the Common Areas and any other property owned or controlled by the Association, specifying and itemizing the expenses incurred and expenditures made. All records authorizing such expenditures shall be available for examination by Owners at convenient hours designated by the Board. Within fifteen (15) days following the Board's receipt of a written request from any Owner, or such shorter time as may be required by applicable law, the Board shall issue to the requesting party (or to the person designated by such requesting party) a written statement stating that, as of the date of the statement: (a) all Assessments (including collection fees, interest, costs and attorneys' fees, if any) have been paid with respect to the Lot of such Owner; or (b) if any such amounts have not been paid, the amount(s) then due and payable. Subject to the limitations of applicable law, the Association may impose a reasonable charge for the issuance of such a statement that must be paid at the time the request for such certificate is made.

8.11 Discharge of Liens. The Board may cause the Association or any Owner or Occupant (by Assessment) to discharge any mechanics' or materialmen's liens or other encumbrances which in the opinion of the Board may constitute a lien against the Common Areas. When less than all of the Owners are responsible for any such lien or encumbrance, those Owners that are responsible shall be jointly and severally liable for the amount necessary to discharge the same, and for all costs and expenses, including but not limited to attorneys' fees, incurred in connection with such lien or encumbrance.

becoming due after such sale or transfer, or from the lien thereof. The Association shall have the power to bid for any Lot at any sale to foreclose the Association's lien on the Lot, and to acquire and hold, lease, mortgage and convey the same. During the period the Lot is owned by the Association, no right to vote shall be exercised with respect to that Lot and no Assessment shall be assessed or levied on or with respect to that Lot; provided, however, that the Association's acquisition and ownership of a Lot under such circumstances shall not be deemed to convert the same into Common Areas.

8.3 Dates Assessments Commence; Declarant's and Designated Builders' Obligations. Assessments shall be payable with respect to a Lot commencing with the earlier of: (a) initial conveyance of such Lot to a purchaser (other than a Designated Builder) by Declarant or by a Designated Builder (or by a trustee, for the benefit of Declarant or a Designated Builder); or (b) termination of the Class B Membership. Assessments with respect to a Lot shall be prorated as of the date of commencement. Declarant and each Designated Builder shall not be obligated to pay any Assessments with respect to Lots owned by Declarant and each Designated Builder until the Class B Membership is terminated. Until the Class B Membership is terminated, Declarant and each Designated Builder shall pay or contribute to the Association cash, goods or services (as Declarant may elect) as may be necessary to make up any shortfalls in the budget of the Association resulting from such Person's exemption from Assessments (but in no event shall Declarant be required to make such payments or contributions in excess of the Assessments Declarant would be required to pay, in the absence of this sentence, with respect to Lots owned by Declarant and in no event shall any Designated Builder be required to make such payments or contributions in excess of the Assessments such Designated Builder would be required to pay in the absence of this sentence, with respect to Lots owned by such Designated Builder). Shortfalls shall be allocated between Declarant and each Designated Builder prorata based on the relative number of Lots owned at either the beginning of the period for which the shortfall occurred or at the time the shortfall is determined and notice is given, as selected by Declarant. Any Person who becomes an Owner of a Lot shall pay the Annual Assessment applicable to such Owner's Lot as such becomes due, and shall pay any Special Assessment levied on or after the date the Person becomes an Owner. The previous Owner of such Lot shall remain liable for all unpaid and delinquent Assessments levied against the Owner of the Lot prior to such transfer of ownership.

8.4 Computation of Assessments; Annual Budget. The Board shall adopt a budget for each fiscal year of the Association, which budget shall serve as the basis for determining the annual Assessments (herein the "Annual Assessments") for the applicable fiscal year (subject to the limitations of *Section 8.6*). Annual Assessments shall be payable annually or in installments as set by the Board. Within a reasonable period following the meeting of the Board at which it adopts the budget for the year in question, the Board shall deliver or mail to each Owner a copy of the budget and a statement of the amount of the Annual Assessments to be levied against such Owner's Lot for that year. The failure to send or to receive such a statement shall not relieve any Owner of his obligation to pay such an Assessment on or before the due date. All Assessments shall be payable to the Association. In the event the Board fails to adopt a budget for any fiscal year prior to commencement of such fiscal year or fails to determine the Annual Assessments for any year, then until and unless such budget is adopted or the determination is made (as

ARTICLE 9

USE OF ASSOCIATION FUNDS

9.1 Use of Association Funds. In addition to the powers enumerated in the Articles and Bylaws, the Association shall apply all funds and property collected and received by the Association from any source ("Funds") for the common good and benefit of the Property, the Owners and the Occupants. The Funds may be used, among other things, to insure, acquire, construct, alter, clean, maintain, supervise, provide and operate, in any manner whatsoever, any and all land, properties, Improvements, services, Community's, programs, studies and systems within the Property and the Common Areas as may be necessary, desirable or beneficial to the general common interests of the Owners and Occupants. In connection with the foregoing, the Funds may be used for the administration, office expenses, salaries and other personnel costs of the Association. The Association may in its discretion collect and maintain Funds to be held in reserve for any of the uses referred to in this Section 9.1.

9.2 Borrowing Power. The Association may borrow money in such amounts, at such rates, upon such terms and security, and for such periods of time as the Board deems necessary or appropriate, and may utilize Funds to repay any such loans.

9.3 Association's Rights in Spending Funds From Year to Year. The Association shall not be obligated to spend in any year all Funds received by it in such year, and the Board may carry forward as surplus or hold in reserve (for general purposes or for specified future expenditures) any balances remaining. The Association shall not be obligated to reduce the amount of the Annual Assessments in any succeeding year if a surplus or reserves exist from a prior year or years.

ARTICLE 10

RIGHTS AND POWERS OF ASSOCIATION

10.1 Rights, Powers and Duties of the Association. In addition to the rights and powers of the Association set forth in this Declaration, the Association shall have such rights and powers as are set forth in the Articles and Bylaws, together with such rights, powers and duties as are granted by law or as may be reasonably necessary in order to effect all of the objectives and purposes of the Association as set forth herein. A copy of the Articles and Bylaws shall be available for inspection at the office of the Association during reasonable business hours.

10.2 Association's Rights of Enforcement. The Association, as the agent and representative of the Owners, shall have the right, but not the obligation, to enforce the provisions of this Declaration. Further, Declarant and any other Owner, so long as Declarant and such other Owner owns property within the Community, shall have the right and authority, but not the obligation, to enforce the provisions of this Declaration; provided that, any Owner, other than Declarant, desiring to enforce any provision of this Declaration shall first request that the

Association enforce such provision, and if the Association fails to act upon such Owner's request within a reasonable time, then such Owner may pursue enforcement of the provisions on its own.

10.3 Contracts with Others. Subject to the restrictions and limitations contained herein, or in the Articles, the Bylaws, and the laws of the State of Arizona, the Association may enter into contracts or other transactions with other parties, including Declarant or its affiliated companies. Such contracts or other transactions shall not be void or voidable because one or more directors or officers of the Association are employed by, have a financial interest in or are otherwise affiliated with such other parties, including Declarant or its Affiliates (even if such officer(s) or director(s) is present and/or votes at the meeting of the Board or committee which authorizes the contract or transaction), if (a) the fact of such interest has been previously disclosed or made known to the other members of the Board or the committee acting upon such contract or transaction, and (b) the transaction or contract is fair and reasonable. Notwithstanding the foregoing, any management contract entered into by the Association must be terminable, without penalty, by the Association for cause at any time and without cause upon reasonable notice.

10.4 Procedure for Change of Use of Common Areas. If (a) any portion of any Lot is maintained so as to present a nuisance, or substantially detracts from or affects the appearance or quality of any neighboring Lot or other area, or is used in a manner which violates this Declaration, or (b) the Owner of any Lot or the Occupant of such Owner's Lot, by willful or negligent act or omission, damages any Common Area, or (c) the Owner of any Lot or the Occupant of such Owner's Lot fails to perform such Owner's obligations under this Declaration, the Association Rules, the Design Guidelines, the Articles and the Bylaws, the Association, by Board resolution, may make a finding to such effect, specifying the particular condition(s) that exist, and thereafter give notice to the Owner of such Lot that unless specified corrective action is taken within a specified time period the Association, at such Owner's expense, may take whatever action is appropriate to compel compliance including, without limitation, appropriate legal action. If at the expiration of the specified time period the requisite corrective action has not been taken by the Owner, the Association shall have the right, but not the obligation, at its sole discretion, to cause corrective action to be taken and/or to commence appropriate legal action. The Association shall purchase and maintain such property damage and liability insurance upon the Common Areas and such other insurance as the Board, in its absolute discretion, may determine. The Association shall be the named insured in all policies providing such insurance. Neither the Association nor the Board, nor any Member of the Board or officer or agent of the Association, shall be liable to any Person for failure of the Association to secure and maintain any such insurance coverage where such insurance coverage is not available in the State of Arizona at a reasonable cost and on other reasonable terms and conditions. Notwithstanding the foregoing, the Association shall obtain and maintain at all times, at the Association's expense, directors' and officers' liability insurance covering all officers and directors of the Association, as well as all regular and alternate members of the Committee, in amounts and on terms adequate to permit the Association to meet its obligations to indemnify such persons pursuant to the Articles and Bylaws.

13.3 Individual Responsibility; Disclaimer of Liability. It shall be the responsibility of each Owner or Occupant to provide insurance for himself on his real or personal property interests on or within the Property, including, but not limited to, additions and Improvements thereto, furnishings and personal property thereon, and for his personal liability. No Person shall maintain any insurance which would limit or reduce in any manner the insurance proceeds payable under the insurance maintained by the Association in the event of damage to the Improvements or fixtures on the Common Areas. The Association, any Board member and Declarant shall not be liable to any Person or mortgagee if any risks or hazards are not covered by the insurance obtained by the Association or if the amount of such insurance is not adequate.

The Association is hereby irrevocably appointed and authorized by the Owners to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims, and to do all other acts reasonably necessary to accomplish any of the foregoing. The Board has full and complete power to act for the Association in this regard and may, at its discretion, appoint an authorized representative or committee, or enter into an insurance trust agreement wherein the trustee shall have authority, to negotiate losses under any policy purchased by the Association. All proceeds from insurance acquired by the Association shall be payable to the Association. Any proceeds resulting from damage to the Common Areas shall be used to repair the damage unless otherwise approved by a majority of the votes of each class of Members at a meeting called for such purpose. Any proceeds remaining upon repair of such damage may be retained by the Association as reserves or to reduce future Assessments.

Recordation of a notice of violation shall serve as a notice to the Owner and Occupant, and to any subsequent purchaser of the Lot, that there is such a violation. Notwithstanding the foregoing, failure by the Association to Record a notice of violation shall not constitute a waiver of any existing violation or evidence that no violation exists.

14.3 **No Partition.** No Person acquiring any interest in the Property or any part thereof shall have a right to, nor shall any person seek, any judicial partition of the Common Areas, nor shall any Owner sell, convey, transfer, assign, hypothecate or otherwise alienate all or any of such Owner's interest in the Common Areas or any funds or other assets of the Association except in connection with the sale, conveyance or hypothecation of such Owner's Lot (and only appurtenant thereto).

14.4 **Interpretation of the Covenants.** Except for judicial construction and as hereinafter provided, the Association, by its Board, shall have the exclusive right to construe and interpret the provisions of this Declaration. 14.10 Approvals Required. EXHIBIT B CITY OF TUCSON

Maintenance Checklist for Detention/Retention Basins

Drainage System Feature	<input checked="" type="checkbox"/>	Problem	Conditions to Check For	Conditions that Should Exist
General		Trash & debris buildup in basin.	Dumping of yard wastes such as grass clippings and branches into basin. Unsightly accumulation of nondegradable materials such as glass, plastic, metal, foam and coated paper.	Remove trash and debris and dispose as prescribed by City of Tucson.
		Trash rack plugged or missing.	Bar screen over outlet more than 25% covered by debris or missing.	Replace screen. Remove trash and debris and dispose as prescribed by the City of Tucson.
		Fire Hazard or pollution.	Presence of chemical such as natural gas, oil or gasoline, obnoxious color, odor or sludge noted.	Find sources of pollution and eliminate them. Water is free from noticeable color, odor or contamination.
		Vegotation not growing or is overgrown.	For grassy detention/retention basins, grass cover is sparse and weedy or is overgrown.	For grassy detention/retention basins, selective thatch, aerate and reseed. Grass cutting unnecessary unless dictated by aesthetics.
		Rodent holes.	Any evidence of rodent holes, If facility is acting as a dam or berm, or any evidence of water pipe through dam or berm via rodent holes.	Rodents destroyed and dam or berm repaired. Contact Pima County Health Department for guidance.
		Tree Growth.	Tree growth does not allow maintenance access or interferes with maintenance activity (e/g/ slope mowing, silt removal, or equipment movements). If trees are not interfering with access, leave trees alone.	Trees do not hinder maintenance activities.
Side slopes of pond		Erosion on berms or at entrance or exit.	Check around inlets and outlets for signs of erosion. Check berms for signs of sliding or settling. Action is needed where eroded damage over 2 inches deep and there is potential for continued erosion.	Find causes of erosion and eliminate them. Then slopes should be stabilized by using appropriate erosion control measure(s): e.g. rock reinforcement, planting of grass, compaction.
Storage area		Sediment buildup in basins	Accumulation sediment that exceeds 10% of the designed basin depth. Berms or partially buried outlet structure probably indicates significant sediment deposits.	Sediment cleaned out to designed basin shape and depth; basin reseeded if necessary to control erosion.
Basin dikes		Settlements	Any part of dike which has settled 4 inches lower than the design elevation.	Dike should be built back to the design elevation.
